ARCHITECTS AND ENGINEERS
REQUEST FOR QUALIFICATIONS

The Department of Defense, Veterans and Emergency Management wishes to procure architectural/engineering services for the **Building #260 - AASF HVAC Modernization Project** (BGS 3929) at the Army Aviation Support Facility (AASF) in Bangor, Maine. Qualifications packages are due at 1:00 p.m. on 26 March 2026, as stated in the RFQ.

Project consists of the investigative, design, construction and construction oversight (SIOH) services required to modernize the existing HVAC system at the AASF at the Bangor East Training Site, Bangor, Maine. Project also requires the updating of the existing Building Automation Controls System (BACS).

Responding firms must comply with the detailed *RFQ Information for Architects and Engineers* on the Bureau of General Services website: <https://www.maine.gov/dafs/bgs/business-opportunities>
