
NOTICE TO CONTRACTORS
INVITATION FOR BIDS

MSAD 60 is conducting a competitive bid process for the addition of an NFPA 13 sprinkler system to three schools: Vivian E. Hussey Elementary School in Berwick, Maine, Hanson Elementary School in Lebanon, Maine, and North Berwick Elementary School in North Berwick, Maine. A single bid for all three schools is sought and bids will be opened and read aloud at 2:00 p.m. on December 22, 2020. Details on viewing the public bid opening will be posted on the RSU website.

The Project will add a sprinkler system to three schools and associated work will include site work, installation of a packaged fire pump system with buried tank, electrical and fire alarm work, selective demolition, cutting and patching, firestopping, soffit and chase construction, selective ceiling replacement, painting, and additional tasks as described in the contract documents.

The detailed *Notice to Contractors* is on the MSAD 60 Website:
