

**Bureau of General Services  
Division of Planning, Design & Construction**

NOTICE TO ARCHITECTS AND ENGINEERS  
REQUEST FOR QUALIFICATIONS

The Bureau of General Services wishes to procure architectural/engineering services for the Shoring and Structural Upgrades project at the Green Barn located in Bangor ME. Qualifications packages are due at 1:00 p.m. on 12/15/2023, as stated in the RFQ.

The scope of services for this project includes assessing the building's envelope and structure and designing any potential enhancements or upgrades that might be required as well as demolition and abatement plans if warranted. Additional restoration scopes of works may be contracted at the sole discretion of the owner. Assessments, investigations, design and construction admin and oversight services may be required or requested.

Responding firms must comply with the detailed *RFQ Information for Architects and Engineers* on the Bureau of General Services website: <https://www.maine.gov/dafs/bgs/business-opportunities>
