NOTICE TO ARCHITECTS AND ENGINEERS
REQUEST FOR QUALIFICATIONS

The Department of Administrative and Financial Services, Bureau of General Services wishes to procure architectural/engineering services for the study evaluating the Availability of Traditional and Alternative Bulking Agents for Municipal Biosolids Disposed of at the Juniper Ridge Landfill in Old Town, Maine and at other solid waste landfills in Maine as applicable.

The scope of services for this study includes evaluating the availability of sufficient and consistent amounts of bulking agents available to support continued acceptance of the current levels of municipal biosolids and other wet wastes at JRL after July 1, 2025.

Responding firms must comply with the detailed RFQ Information for Architects and Engineers on the Bureau of General Services website: <https://www.maine.gov/dafs/bgs/business-opportunities>
