

NOTICE TO CLERK OF THE WORKS  
INVITATION FOR QUALIFICATIONS

Regional School Unit 1, working with the State of Maine Department of Education and Lavalley Brensinger Architects is soliciting qualifications for a Building Clerk of the Works to participate in the New Morse High School and Bath Regional Career & Technical Center in Bath, Maine. Qualifications will be opened and reviewed at the RSU 1 Superintendent's Office, 34 Wing Farm Parkway, Bath, ME at 2:00 p.m. Thursday, January 17, 2019.

The Building Clerk position consists of full-time work, 40 hours per week from March 15, 2019 through August 31, 2020. Full-time plan review work, 40 hours per week will take place from February 01, 2019 through March 15, 2020.

The Project consists of all building related work associated with site new school building. The RSU has retained a site clerk for all site related activities. The new high school construction consists of approximately 186,000 sqft in Bath Maine. Sitework started in July 2018. The new school building will be constructed under separate General Contractor Agreement with the Owner. Estimated Building Construction Cost is Forty-One Million Nine Hundred Thousand Dollars (\$41,900,000).
