Re: Notice of Administrative Action including Monetary Penalty  
OCP Incident # 2025-MCP-1809

Dear Mr. Jones,

This Notice of Administrative Action is issued pursuant to the *Maine Administrative Procedures Act* (Maine APA), Title 5, Ch. 375, subch. 4, to **Dontae Jones**, Medical Use Cannabis Program (MUCP) **CGR30324** for violations of the *Maine Medical Use of Cannabis Act* (MMUCA), Title 22 M.R.S., Chapter 558-C, and the *Maine Medical Use of Marijuana Program Rule*, 18-691, Ch. 2, as described below. In response to these violations, the Department of Administrative and Financial Services, acting through its Office of Cannabis Policy (OCP), (collectively, "The Department") is taking the administrative actions detailed in this notice.

The licensee named herein is subject to the administrative actions pursuant to MMUCA as described in Part II and III below that may be timely appealed in accordance with the Maine APA in accordance with Part IV of this Notice. Failure to timely appeal will result in the imposition of the administrative actions described herein.

I. Summary of the investigation of Dontae Jones DBA Krilly's:

1. Dontae Jones (CGR30324) is a registered caregiver with retail authority to operate Krilly's, a caregiver retail store located at 260 China Rd. in Winslow, ME.
2. On December 10, 2025, a contracted compliance inspector (CI) for the Office of Cannabis Policy, Ella Bowman, was conducting random spot checks of local medical cannabis businesses to ensure sales were only being made to medical cannabis patients. CI Bowman is not a medical cannabis patient and does not have a medical cannabis certificate to purchase medical cannabis in the State of Maine.
3. At around 10:45 AM, CI Bowman reported that she entered Krilly's. There was a green cross and an open sign in the window, and the door was unlocked.
4. CI Bowman was greeted by a female employee in the store, later identified as Rhonda Willette. Inspector Bowman asked if this was the place that she didn't

need a medical card to buy cannabis. Ms. Willette gave her directions to another store and then asked her what she was looking for. CI Bowman indicated to Ms. Willette that she was just looking for a pre-roll. After discussion, Ms. Willette sold a single pre-roll for \$5. CI Bowman was not asked for, nor did she produce a medical cannabis certificate.

5. Compliance Inspector Bowman left the store and went out to her car where she secured the pre-roll as evidence and wrote a Notice of Violation for Sale to a non-patient. When CI Bowman re-entered, the business, she identified herself as a contracted compliance inspector with the Office of Cannabis Policy. Ms. Willette was issued a Notice of Violation for the sale to a non-patient, and she was advised a compliance inspector from OCP would be contacting her.
6. On January 2, 2026, Compliance Inspectors Chris Carr and Matt Clark met with you (Dontae Jones) and Rhonda Willette. You confirmed that Ms. Willette is an employee of your business. During this meeting, Ms. Willette readily admitted to selling the pre-roll to CI Bowman who did not produce a patient certification. Ms. Willette stated that the lady (CI Bowman) came in and was hassling her about purchasing the pre-roll so she just sold it so she would leave. CI Carr informed her that the incident was audio and video recorded and this was not true. Ms. Willette also stated that she did not document the sale on the patient transaction log. The tube used for the sale was not tamper evident and did not contain a warning of “contains harvested cannabis.”
7. You were issued a Notice of Violation for the following violations:
  - a. Sale to a person who is not a qualified patient 22 MRS 2423-A (2)A-1
  - b. Records / Failure to maintain records of plant/harvested marijuana transfer 22 MRS §2430-J(1)
  - c. Label / Lacks warning “Contains Harvested Marijuana” 22 MRS §2429-A(1).
  - d. Packaging / Not tamper evident, child resistant, opaque 22 MRS §2429-A(1).
