Re: Notice of Administrative Action including Monetary Penalty
Saphyre Hanington RIC21913
OCP Incident Number- 2025-MCP-162

Dear Miss Hanington,

This Notice of Administrative Action is issued pursuant to the *Maine Administrative Procedures Act* (Maine APA), Title 5, Ch. 375, subch. 4, to **Saphyre Hanington**, Medical Use Cannabis Program (MUCP) **RIC21913** for violations of the *Maine Medical Use of Cannabis Act* (MMUCA), Title 22 M.R.S., Chapter 558-C, as described below. In response to these violations, the Department of Administrative and Financial Services, acting through its Office of Cannabis Policy (OCP), (collectively, "The Department") is taking the administrative actions detailed in this notice.

The licensee named herein is subject to the administrative actions pursuant to MMUCA as described in Part II and III below that may be timely appealed in accordance with the Maine APA in accordance with Part IV of this Notice. Failure to timely appeal will result in the imposition of the administrative actions described herein.

I. Summary of MUCP Investigation of License

1. On February 14th and 15th, 2025, the Office of Cannabis Policy received two complaints in regard to sales to non-patients at the Cheese House located at 5 Pike Rd. in Fairfield. One of the complaints was very specific about the date and time and listed it as February 12, 2025, between 6:44 PM and 6:47 PM. These complaints were assigned to Compliance Inspector Chris Carr for investigation on February 18, 2025. After reviewing the two on-line complaints, CI Carr determined that both complaints were for the same incident. One complainant had first-hand knowledge of the alleged violation, and the second complaint appeared to be based on information that the person making the complaint received from another person.
2. Brad Thomas is the sole shareholder of The Cheese House, Inc., holding the title of President/CEO, and is the sole contact for the license.
3. On February 19, 2025, Compliance Inspectors Carr and Brunette met with the owner of The Cheese House, Brad Thomas RIC17624 and Amber Michaud RIC15502. They were advised of the complaint, and CI Carr requested to view their video for February 12,

2025, starting at approximately 6:30 PM. There were two employees who were working during this time, one of them was identified as Saphyre Hanington RIC21913.

4. The video showed numerous transactions, with each person going to the point-of-sale area and showing identification prior to the sale. Amber Michaud was able to identify each of the customers. At approximately 6:40 PM, a female came into the store and was viewing product. She chose an item and went to the point of sale, check out area. A known female employee was tending to her. There was a conversation between the two of them, the customer did not produce any identification, and the known female employee walked away from the register. Saphyre Hanington then came over and completed the transaction without any identification being produced. The female then left the store with the purchased product. Amber Michaud stated she did not know who the female was.
5. Brad Thomas and Amber Michaud agreed that the female did not produce an identification before making the purchase. Saphyre Hanington then spoke with CI Carr. She said she didn't recall the transaction, but it was obvious to her the girl didn't produce any identification. She too was unable to identify the female. When asked to check the point-of-sale system to get a name on the female, she stated that she did not enter any information for this sale.
6. CI Carr later interviewed the known female employee who was present for the sale but did not conduct the transaction, on the phone regarding this investigation. She stated that she remembered this transaction. She informed CI Carr that she doesn't know the identity of the customer. She said she asked the customer for her identification so she could verify she was a patient, and the female customer told her she didn't have a medical card or any identification with her. The female employee then said this is when she refused the sale, and Saphyre came over and completed the sale. She went on to tell CI Carr that several times she has refused a sale only to have Amber or Saphyre come make the sale without any identification being required.
