

Storing Cannabis Products Safely & Securely

Cannabis products should always be stored **out of reach** and **out of sight** from young people and pets.

To further protect the young people and pets in your home, please also:

- » Store your cannabis products in **a locked area or container.**
- » Keep edible products in their **original child-resistant packaging.**
- » Ensure edible products are kept **separate from other food items.**

If there is an accidental exposure or an adverse health reaction to cannabis, **call 911** for a medical emergency. For non-urgent matters, call the Poison Center at **800-222-1222.**
