I. When adding a new technology or analyte to the certificate, the following information is required:

Submit an electronic copy of the analytes and technologies requested from the Maine technology/analyte table with associated, current MDL/RL data.

J. Statement of Validation:

I have read 18-691 CMR, Chapter 5, Maine Certification of Marijuana Testing Facilities Rules and 18-691 CMR, Chapter 1, Maine Adult Use Marijuana Program Rules.

I submit this completed Application to the Maine Marijuana Certification Program. I attest that the information in this application is true, accurate and complete to the best of my knowledge.

In addition to this form and the applicable fees, I have submitted the following documents electronically in accordance with 18-691 CMR, Chapter 5:

- A Marijuana Testing Facility procedures manual (SOP) meeting the standards of Section 3.3 (when applicable).
- The list of technology/analyte combination requested (in the electronic format specified by the State, found in the Technology Analyte Table (TAT)). Please include marijuana testing facility-determined MDL and RL values with units in this table.
- The most recent passing proficiency testing result for each field of testing for which the testing facility seeks certification and for which there are proficiency tests available. The proficiency testing samples must be from an approved provider and be analyzed within 6 months of the date that this application is received by the certification officer as per Section 3.4.

With the attached application(s), I hereby apply for certification in accordance with the terms listed in 18-691 Chapter 5, Maine Certification of Marijuana Testing Facilities Rules and Chapter 1 Maine Adult Use Marijuana Program Rules Section 2.1.2D
