Subject: RE: 2018 MDOT CURRENT PRICING FOR BITUMINOUS PRODUCTS

Donny,

We are going up on hot top from \$68/ton to \$70/ton, and curb mix w/fiber from \$95/ton to \$97/ton. The price on cold patch will remain the same, \$130/ton, through the end of 2018.

The price change on hot top and curb mix is effective immediately; however, the invoices you already have that were billed at \$68/ton are correct and won't be changed.

You may use this email as official notification of these changes, or if I need to fill out a form for you, please supply me with the form.

Thanks,
Carl

Hi Carl & Bob,

I have not received a reply or 2018 pricing from you as of yet, but I know DOT has invoices to pay. Do you have this year's pricing so we can extend the master agreement?

Thank You!

Sincerely,
