Hi Andy,

I hope all is well with the family!

So I still have not been able to get to either the electrical bid or the lighting bid. I'm working on extending the lighting until 12/31/18...any chance of doing the same for the electrical side? Our workload still has not subsided yet.

Thank You!

Sincerely,

That is awesome....Congratulations! My youngest grandson turned 1 on 12/26....now I feel old!!

Great, thank you! I'll extend it now until 2/28.

Thank You!

Christmas was awesome. We had our baby daughter come on 12/26 so it's been a whirlwind!

No problem with extending the electrical side.

Hi Andy,

I hope Christmas was awesome for you!

I still have not been able to get all agencies to the table yet for the lighting, let alone the electrical. So I was able to get an extension for the lighting side until 2/28. Can you check on extending for the electrical side as well?

Thank You!

Sincerely,

Here you go bud. Let me know if you need more.

Bid Instructions and Specifications

To issue a Blanket Contract for “General Electrical Supplies” (Excluding Lamps and Ballast Products)

SCOPE: The Division of Purchases is seeking to provide a portion of the normal requirements for all using agencies for “General Electrical Supplies” (Excluding Lamps and Ballast Products) during a period of two years.

CONTRACT PERIOD: Any contract issued as a result of this bid is to be for a period of two years beginning approximately January 1 2014 thru December 31, 2015. The State of Maine reserves the right, with the consent of the contractor, to renew any contract issued for two additional years in one year increments.

ESTIMATED VALUE: The yearly value of this contract is approximately \$150,000. It is understood and agreed, however, that the contract shall cover all the quantities ordered by state agencies during the term of the contract, whether more or less than the amount indicated.

PRICES: Pricing will be based on a Market Basket of items and a discount off List Pricing. It is understood and agreed to that the pricing terms or the net pricing will remain firm for the duration of the contract. Prices shall include all transportation charges F.O.B. Destination.

Bidders can offer discount off List Pricing model wherein the vendor’s price is equal to the vendor’s invoice at time of delivery plus the percentage mark-up to determine State pricing. Additional discounts for greater quantities being ordered are acceptable and if so, bidders must submit this with their bid response.

GOVERNOR’S EXECUTIVE ORDER: In keeping with the Executive Order #12, FY 06/07: AN ORDER PROMOTING SAFER CHEMICALS IN CONSUMER PRODUCTS AND SERVICES, we continue our commitment to environmentally preferable procurement. Through this Request for Quotations (RFQ), we intend to purchase products that have a reduced negative impact on human health and the natural environment in comparison to other products that serve similar purposes to the extent feasible, balancing price, performance, availability and safety.

ENERGY EFFICIENCY: In addition, it is the goal of the State of Maine to achieve the highest possible energy efficiency at the lowest cost. This can be achieved in several ways including but not limited to new product offerings and energy audits.

AWARDED CONTRACTOR EXPECTATIONS: The awarded contractor is expected to provide the following which shall become a part of any contract issued:

- Sales, customer and technical support services.
- Samples at no charge for evaluations.

- In-service and education.
- Drop shipments at no charge.
- Return goods involving unopened cases of product at no charge or restocking fee.
- Products must meet all regulatory guidelines.
- Catalogs and descriptive literature to be made available within ten (10) days after request at the expense of the contractor. Catalogs can be paper or electronic format (CD, Microsoft Excel or Web-Base version).

ORDERING PROCEDURE: Delivery Orders (DO) will be created in AdvantageME for all orders against Master Agreements (MA), unless the State of Maine Procurement Card is used for payment. Orders in the amount of \$5,000.00 or less will be e-mailed by the using agency to the Vendor as a .pdf file. Delivery Orders in amounts greater than \$5,000.00 will workflow to the Division of Purchases' Buyers for approval and encumbrance. The Division of Purchases will e-mail the .pdf order to the Vendor.

- **WEB-BASED ORDERING** – Vendors will specify if e-web ordering of supplies is the preferred method by the State of Maine and all its using agencies. Vendors will provide complete instructions and information for procedures on electronic ordering with their bid response. If each individual agency or user must have a username and password, then the vendor will be prepared to accommodate numerous accounts. A master account for the buyer of this contract to monitor orders, track spending, audit prices and maintain accountability should be provided.

PROCUREMENT CARD: State policy requires vendors to accept the State of Maine Procurement Card as a form of payment, with very rare exceptions. Your company will be required to accept these cards. The pricing offered to the State of Maine shall be the final cost to the State of Maine regardless of payment method. No surcharge or other compensation will be allowed. The State of Maine reserves the right to reject your bid if you are unwilling to accept this condition.

INVOICES: Separate invoices are required for each order number. All invoices must reference Delivery Order Number and Master Agreement Number, failure to do so could cause lengthy delays of payment of invoices. All invoices should be issued within 30 days of delivery and paid in a timely manner agreed upon between the using agency and the successful vendor.

MINIMUM ORDERS: Bidders to specify if any minimum orders apply to bid submittals, reference any additional charges or minimum order requirements, dollar or quantities.

AWARD: The State of Maine expects to award a single contract from this bid or whatever is determined by the State to cover the needs of all using agencies. We reserve the right to gather additional information for evaluation purposes. Completeness of product line may be taken into consideration when making the contract award. Bidders not supplying a complete line may not be considered in the award process. Any incomplete bids may be rejected. Any contract issued will be made on a basis of best value, taking into consideration each individual bid response including, but not limited to:

- Price
- Service (Representation)
- Delivery

- Minimum order requirements
- Conformity of Bid Instructions & Specifications
- Completeness of Product Line
- List of distributors throughout the State of Maine

PRICE ADJUSTMENTS: Prices quoted shall remain firm for the duration of the contract. Any reduction in price may occur anytime during the contract period. The reduced price shall apply on all shipments made on or after the date the reduction price becomes effective.

The State reserves the right to seek additional discounts from the contractor, or to contract separately for single purchase for a particular State project or other immediate use if, in the judgment of the Division of purchases, the quantity required is sufficiently large to enable the State to realize a cost savings over and above the published contract prices, whether or not such a savings actually occurs.

DELIVERY: Deliveries shall be made as specified by the ordering agency in a timely manner and during the normal receiving hours of such agency. The contractor shall be responsible for the delivery of items in first class condition at the point of delivery, and in accordance with good commercial practice.

TAXES: The State is exempt from the payment of excise or sale taxes. Exemption certificates will be furnished upon request.

REPORT OF PURCHASES: Contractor will be required to furnish the Director of Purchases with a detailed summary of the total purchases made under this contract. This total may be requested yearly or at any time during the contract period.

CANCELLATION OF CONTRACT: The State of Maine reserves the right to cancel contracts upon a thirty day written notice OR cancel contracts IMMEDIATELY if the contractor does not conform to the terms and conditions of bid/contract.

EXTENSION OF CONTRACT: The Director of Purchases may, with the consent of the contractor extend the contract beyond the indicated expiration date providing it is in the States best interest.

OPPORTUNITIES FOR POLITICAL SUBDIVISIONS AND SCHOOL DISTRICTS:

The Division of Purchases is committed to providing purchasing opportunities for political subdivisions and school districts in Maine by allowing them access, through our vendors, to our contract pricing.

The successful bidder's willingness to extend contract pricing to these entities will be considered in making this award. All bid responses will include in the comments field of their bid whether or not they will accept orders with or without condition from political subdivisions and Maine school districts at the prices quoted.

INFORMATION TO BE FURNISHED:

- **SERVICE/ACCOUNT REPRESENTATION** – All bidders must provide their local representative's name, telephone, e-mail address and explain their availability.
- **DELIVERY** – Bidders must provide documentation on delivery times and procedures.
- **PRICES** - Bidders must provide full details on pricing method and pricing on high usage items.

NOTE: BIDS NOT MEETING ALL OF THE ABOVE REQUIREMENTS MAY NOT BE CONSIDERED WHEN MAKING AN AWARD.

THE STATE RESERVES THE RIGHT TO ACCEPT OR REJECT ANY OR ALL BIDS.
