STATE OF MAINE
DEPARTMENT OF ADMINISTRATIVE AND FINANCIAL SERVICES
Agreement to Purchase Services

THIS AGREEMENT, made this 1st day of July, 2014, is by and between the State of Maine (State), Department of Administrative and Financial Services (DAFS), Bureau of General Services (BGS), Division of Purchases (Division) whose address is 111 Sewall Street, Burton Cross Building, 4th Floor, 9 State House Station, Augusta, Maine 04333-0009., hereinafter called "Department," and WB Mason Company, Inc. (Contractor), located at 59 Centre Street, Brockton, MA 02303, telephone number 1-888-926-2766, hereinafter called "Provider", for the period of July 1, 2014, to October 31, 2015.

The AdvantageME Vendor/Customer number of the Provider is VC1000094897.

WITNESSETH, that for and in consideration of the payments and agreements hereinafter mentioned, to be made and performed by the Department, the Provider hereby agrees with the Department to furnish all qualified personnel, facilities, materials and services and in consultation with the Department, to perform the services, study or projects described in Rider A, and under the terms of this Agreement. The following riders are hereby incorporated into this Agreement and made part of it by reference:

- Rider A - Specifications of Work to be Performed
- Rider B - Payment and Other Provisions
- Rider C - Exceptions to Rider B
- Rider D - Contractor's Proposal to RFP#201402689
- Rider G - Identification of Country in Which Contracted Work will be Performed

IN WITNESS WHEREOF, the Department and the Provider, by their representatives duly authorized, have executed this agreement in 2 original copies.

RIDER A
SPECIFICATIONS OF WORK TO BE PERFORMED

This contract has been established for the provision of office supplies and related items to all State of Maine Departments. Rider A incorporates by reference the State of Maine Request for Proposals #201402689 including all amendments.

1. Website Item Restrictions

- a. The Contractor, during the implementation of the contract will assign its Account Management Team to meet with the Department to document any and all restrictions, including existing restrictions. Examples of such restrictions could include, but not be limited to, restrictions on specified product categories (furniture, coffee, etc.), restrictions on pages or sections of the Contractor's catalog so specified by the Department, items with a net price in excess of a predetermined limit, restrictions on items with an extended price in excess of a predetermined limit, etc. The Contractor will apply the desired restrictions to all State of Maine agency accounts as directed by the Department. To ensure the ongoing maintenance as desired of the Department's restriction hierarchy, the Contractor will conduct routine account restriction audits either in person or via teleconference with Department personnel at an interval established by the Department in which multiple state accounts have the referenced restriction hierarchy tested and confirmed.
- b. The Contractor will provide to the Department on a quarterly basis a listing of all new items and their disposition (restricted or unrestricted) based on existing restriction protocol as established by the Department. The Contractor will modify the disposition of these new items as provided upon notification by the Department.

2. Quarterly Business Reviews

The Contractor will hold quarterly business review meetings with the Department in a timely manner, but no later than the end of the following quarter. These business reviews will include a presentation of standard and custom reports as defined by the Department, in addition to any commitments to report contained within the Contractor's proposal.

3. Performance Standards

a. Next Business Day Delivery

As specified in the Contractor's proposal, 100% of orders placed before 6:00 p.m. local time will be delivered the next business day. The Contractor will report quarterly on the order date and time, and the delivery date and time. Orders not received next business day will be reviewed quarterly with the Department, and a corrective action plan will be required as necessary.

b. Fill Rate

The Contractor will maintain a daily line item Fill Rate of 98%. Fill Rate is defined as the number of line items in an order delivered together, divided by the number of total line items in the order. The Fill Rate will be monitored quarterly, and in any quarter where this metric is failed, the Department may issue a notice of cure, and the Contractor will submit a corrective action plan including an explanation of why the metric was failed.

4. Unit Price Audits

The Contractor will conduct quarterly or annual audits of unit prices for sales as directed by the Department. Unit prices shall match the bid price for core items or will match the correct discount from list appropriate for the catalog section the item is listed in. The Contractor will maintain and deliver to the Department annual list price files that match the list prices in the hardcopy catalog. List pricing for items not in the catalog (special

BP 54 - AGREEMENT TO PURCHASE SERVICES

order items or public website items) will be determined by the Contractor at the time of order and discounted per the "Fixed Discount from Agreed List Price Percentage Offered ("Other" Items)" table in Rider D, Appendix B and should be included in usage reports at a minimum.

5. Rebates

Rebates are payable annually as provided in Rider D, and payment term discounts shall be applied at the time of payment.

RIDER B
METHOD OF PAYMENT AND OTHER PROVISIONS

1. **AGREEMENT AMOUNT** \$0.00 (zero dollars) (Unencumbered, State Agencies will use on an as-needed basis.)

2. **INVOICES AND PAYMENTS** The Department will pay the Provider as follows: invoicing and payment will be made on an individual order basis, and the Contractor shall invoice each State agency or department according to its individual purchase of office supplies, paper, and/or toner. Invoices shall not be directed solely to the Division of Purchases nor the Department of Administrative and Financial Services unless the invoices pertain to the Division's or the Department's specific usage of this contract.

Payments are subject to the Provider's compliance with all items set forth in this Agreement and subject to the availability of funds. The Department will process approved payments within 30 days.

3. **BENEFITS AND DEDUCTIONS** If the Provider is an individual, the Provider understands and agrees that he/she is an independent contractor for whom no Federal or State Income Tax will be deducted by the Department, and for whom no retirement benefits, survivor benefit insurance, group life insurance, vacation and sick leave, and similar benefits available to State employees will accrue. The Provider further understands that annual information returns, as required by the Internal Revenue Code or State of Maine Income Tax Law, will be filed by the State Controller with the Internal Revenue Service and the State of Maine Bureau of Revenue Services, copies of which will be furnished to the Provider for his/her Income Tax records.

4. **INDEPENDENT CAPACITY** In the performance of this Agreement, the parties hereto agree that the Provider, and any agents and employees of the Provider shall act in the capacity of an independent contractor and not as officers or employees or agents of the State.

5. **DEPARTMENT'S REPRESENTATIVE** The Agreement Administrator shall be the Department's representative during the period of this Agreement. He/she has authority to curtail services if necessary to ensure proper execution. He/she shall certify to the Department when payments under the Agreement are due and the amounts to be paid. He/she shall make decisions on all claims of the Provider, subject to the approval of the Commissioner of the Department.

6. **AGREEMENT ADMINISTRATOR** All progress reports, correspondence and related submissions from the Provider shall be submitted to:

Name: Justin Franzose
Title: Contract Grant Specialist, Division of Purchases
Address: 111 Sewall Street, 9 State House Station, Augusta, ME 04333-0009

who is designated as the Agreement Administrator on behalf of the Department for this Agreement, except where specified otherwise in this Agreement.

7. **CHANGES IN THE WORK** The Department may order changes in the work, the Agreement Amount being adjusted accordingly. Any monetary adjustment or any substantive change in the work shall be in the form of an amendment, signed by both parties and approved by the State Purchases Review Committee. Said amendment must be effective prior to execution of the work.

8. **SUB-AGREEMENTS** Unless provided for in this Agreement, no arrangement shall be made by the Provider with any other party for furnishing any of the services herein contracted for without the consent and approval of the Agreement Administrator. Any sub-agreement hereunder entered into subsequent to the execution of this Agreement must be annotated "approved" by the Agreement Administrator before it is reimbursable hereunder. This provision will not be taken as requiring the approval of contracts of employment between the Provider and its employees assigned for services thereunder.

9. **SUBLETTING, ASSIGNMENT OR TRANSFER** The Provider shall not sublet, sell, transfer, assign or otherwise dispose of this Agreement or any portion thereof, or of its right, title or interest therein, without written request to and written consent of the Agreement Administrator. No subcontracts or transfer of agreement shall in any case release the Provider of its liability under this Agreement.

10. **EQUAL EMPLOYMENT OPPORTUNITY** During the performance of this Agreement, the Provider agrees as follows:

a. The Provider shall not discriminate against any employee or applicant for employment relating to this Agreement because of race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability, or sexual orientation, unless related to a bona fide occupational qualification. The Provider shall take affirmative action to ensure that applicants are employed and employees are treated during employment, without regard to their race, color, religion, sex, age, national origin, physical or mental disability, or sexual orientation.

Such action shall include but not be limited to the following: employment, upgrading, demotions, or transfers; recruitment or recruitment advertising; layoffs or terminations; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Provider agrees to post in conspicuous places available to employees and applicants for employment notices setting forth the provisions of this nondiscrimination clause.

b. The Provider shall, in all solicitations or advertising for employees placed by or on behalf of the Provider relating to this Agreement, state that all qualified applicants shall receive consideration for employment without regard to race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability, or sexual orientation.

c. The Provider shall send to each labor union or representative of the workers with which it has a collective bargaining agreement, or other agreement or understanding, whereby it is furnished with labor for the performance of this Agreement a notice to be provided by the contracting agency, advising the said labor union or workers' representative of the Provider's commitment under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. The Provider shall inform the contracting Department's Equal Employment Opportunity Coordinator of any discrimination complaints brought to an external regulatory body (Maine Human Rights Commission, EEOC, Office of Civil Rights) against their agency by any individual as well as any lawsuit regarding alleged discriminatory practice.

e. The Provider shall comply with all aspects of the Americans with Disabilities Act (ADA) in employment and in the provision of service to include accessibility and reasonable accommodations for employees and clients.

BP 54 - AGREEMENT TO PURCHASE SERVICES

- f. Contractors and subcontractors with contracts in excess of \$50,000 shall also pursue in good faith affirmative action programs.
- g. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Agreement so that such provisions shall be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

11. **EMPLOYMENT AND PERSONNEL** The Provider shall not engage any person in the employ of any State Department or Agency in a position that would constitute a violation of 5 MRSA § 18 or 17 MRSA § 3104. The Contractor shall not engage on a full-time, part-time or other basis during the period of this Agreement, any other personnel who are or have been at any time during the period of this Agreement in the employ of any State Department or Agency, except regularly retired employees, without the written consent of the State Purchases Review Committee. Further, the Provider shall not engage on this project on a full-time, part-time or other basis during the period of this Agreement any retired employee of the Department who has not been retired for at least one year, without the written consent of the State Purchases Review Committee. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Agreement so that such provisions shall be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

12. **STATE EMPLOYEES NOT TO BENEFIT** No individual employed by the State at the time this Agreement is executed or any time thereafter shall be admitted to any share or part of this Agreement or to any benefit that might arise therefrom directly or indirectly that would constitute a violation of 5 MRSA § 18 or 17 MRSA § 3104. No other individual employed by the State at the time this Agreement is executed or any time thereafter shall be admitted to any share or part of this Agreement or to any benefit that might arise therefrom directly or indirectly due to his employment by or financial interest in the Provider or any affiliate of the Provider, without the written consent of the State Purchases Review Committee. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Agreement so that such provisions shall be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

13. **WARRANTY** The Provider warrants that it has not employed or contracted with any company or person, other than for assistance with the normal study and preparation of a proposal, to solicit or secure this Agreement and that it has not paid, or agreed to pay, any company or person, other than a bona fide employee working solely for the Provider, any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon, or resulting from the award for making this Agreement. For breach or violation of this warranty, the Department shall have the right to annul this Agreement without liability or, in its discretion to otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

14. **ACCESS TO RECORDS** As a condition of accepting a contract for services under this section, a contractor must agree to treat all records, other than proprietary information, relating to personal services work performed under the contract as public records under the freedom of access laws to the same extent as if the work were performed directly by the department or agency. For the purposes of this subsection, "proprietary information" means information that is a trade secret or commercial or financial information, the disclosure of which would impair the competitive position of the contractor and would make available information not otherwise publicly available. Information relating to wages and benefits of the employees performing the personal services work under the contract and information concerning employee and contract oversight and accountability procedures and systems are not proprietary information. The Provider shall maintain all books, documents, payrolls, papers, accounting records and other evidence pertaining to this Agreement and make such

BP 54 - AGREEMENT TO PURCHASE SERVICES

materials available at its offices at all reasonable times during the period of this Agreement and for such subsequent period as specified under Maine Uniform Accounting and Auditing Practices for Community Agencies (MAAP) rules. The Provider shall allow inspection of pertinent documents by the Department or any authorized representative of the State of Maine or Federal Government, and shall furnish copies thereof, if requested. This subsection applies to contracts, contract extensions and contract amendments executed on or after October 1, 2009.

15. **TERMINATION** The performance of work under the Agreement may be terminated by the Department in whole, or in part, whenever for any reason the Agreement Administrator shall determine that such termination is in the best interest of the Department. Any such termination shall be effected by delivery to the Provider of a Notice of Termination specifying the extent to which performance of the work under the Agreement is terminated and the date on which such termination becomes effective. The Agreement shall be equitably adjusted to compensate for such termination, and modified accordingly.

16. **GOVERNMENTAL REQUIREMENTS** The Provider warrants and represents that it will comply with all governmental ordinances, laws and regulations.

17. **GOVERNING LAW** This Agreement shall be governed in all respects by the laws, statutes, and regulations of the United States of America and of the State of Maine. Any legal proceeding against the State regarding this Agreement shall be brought in State of Maine administrative or judicial forums. The Provider consents to personal jurisdiction in the State of Maine.

18. **STATE HELD HARMLESS** The Provider agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims, costs, expenses, injuries, liabilities, losses and damages of every kind and description (hereinafter in this paragraph referred to as "claims") resulting from or arising out of the performance of this Agreement by the Provider, its employees, agents, or subcontractors. Claims to which this indemnification applies include, but without limitation, the following: (i) claims suffered or incurred by any contractor, subcontractor, materialman, laborer and any other person, firm, corporation or other legal entity (hereinafter in this paragraph referred to as "person") providing work, services, materials, equipment or supplies in connection with the performance of this Agreement; (ii) claims arising out of a violation or infringement of any proprietary right, copyright, trademark, right of privacy or other right arising out of publication, translation, development, reproduction, delivery, use, or disposition of any data, information or other matter furnished or used in connection with this Agreement; (iii) Claims arising out of a libelous or other unlawful matter used or developed in connection with this Agreement; (iv) claims suffered or incurred by any person who may be otherwise injured or damaged in the performance of this Agreement; and (v) all legal costs and other expenses of defense against any asserted claims to which this indemnification applies. This indemnification does not extend to a claim that results solely and directly from (i) the Department's negligence or unlawful act, or (ii) action by the Provider taken in reasonable reliance upon an instruction or direction given by an authorized person acting on behalf of the Department in accordance with this Agreement.

19. **NOTICE OF CLAIMS** The Provider shall give the Contract Administrator immediate notice in writing of any legal action or suit filed related in any way to the Agreement or which may affect the performance of duties under the Agreement, and prompt notice of any claim made against the Provider by any subcontractor which may result in litigation related in any way to the Agreement or which may affect the performance of duties under the Agreement.

20. **APPROVAL** This Agreement must have the approval of the State Controller and the State Purchases Review Committee before it can be considered a valid, enforceable document.

21. **LIABILITY INSURANCE** The Provider shall keep in force a liability policy issued by a company fully licensed or designated as an eligible surplus line insurer to do business in this State by the Maine Department of Professional & Financial Regulation, Bureau of Insurance, which policy includes the activity to be covered by this Agreement with adequate liability coverage to protect itself and the Department from suits. Providers insured through a "risk retention group" insurer prior to July 1, 1991 may continue under that arrangement. Prior to or upon execution of this Agreement, the Provider shall furnish the Department with written or photocopied verification of the existence of such liability insurance policy.

22. **NON-APPROPRIATION** Notwithstanding any other provision of this Agreement, if the State does not receive sufficient funds to fund this Agreement and other obligations of the State, if funds are de-appropriated, or if the State does not receive legal authority to expend funds from the Maine State Legislature or Maine courts, then the State is not obligated to make payment under this Agreement.

23. **SEVERABILITY** The invalidity or unenforceability of any particular provision or part thereof of this Agreement shall not affect the remainder of said provision or any other provisions, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision or part thereof had been omitted.

24. **INTEGRATION** All terms of this Agreement are to be interpreted in such a way as to be consistent at all times with the terms of Rider B (except for expressed exceptions to Rider B included in Rider C), followed in precedence by Rider A, and any remaining Riders in alphabetical order.

25. **FORCE MAJEURE** The Department may, at its discretion, excuse the performance of an obligation by a party under this Agreement in the event that performance of that obligation by that party is prevented by an act of God, act of war, riot, fire, explosion, flood or other catastrophe, sabotage, severe shortage of fuel, power or raw materials, change in law, court order, national defense requirement, or strike or labor dispute, provided that any such event and the delay caused thereby is beyond the control of, and could not reasonably be avoided by, that party. The Department may, at its discretion, extend the time period for performance of the obligation excused under this section by the period of the excused delay together with a reasonable period to reinstate compliance with the terms of this Agreement.

26. **SET-OFF RIGHTS** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any monies due to the Provider under this Agreement up to any amounts due and owing to the State with regard to this Agreement, any other Agreement, any other Agreement with any State department or agency, including any Agreement for a term commencing prior to the term of this Agreement, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Controller.

27. **ENTIRE AGREEMENT** This document contains the entire Agreement of the parties, and neither party shall be bound by any statement or representation not contained herein. No waiver shall be deemed to have been made by any of the parties unless expressed in writing and signed by the waiving party. The parties expressly agree that they shall not assert in any action relating to the Agreement that any implied waiver occurred between the parties which is not expressed in writing. The failure of any party to insist in any one or more instances upon strict performance of any of the terms or provisions of the Agreement, or to exercise an option or election under the Agreement, shall not be construed as a waiver or relinquishment for the future of such terms, provisions, option or election, but the same shall continue in full force and effect, and no waiver by any party of any one or more of its rights or remedies under the Agreement shall be deemed to be a waiver of any prior or subsequent rights or remedy under the Agreement or at law.

None.

Section I Organization Qualifications and Experience**1 Overview of the Organization**

Present a brief statement of qualifications and short summary of relevant experience. If subcontractors are to be used by the Bidder, provide a list that specifies the name, address, phone number, contact person, and a brief description of the subcontractors' organizational capacity and qualifications. Briefly describe the history of the Bidder's organization, especially regarding skills pertinent to the specific work required by the RFP and any special or unique characteristics of the organization which would make it especially qualified to perform the required work activities. Include similar information for any subcontractors. This section shall include information on the Bidder's annual sales for office supply items.

The W.B. Mason Company has been in continuous operation since 1898, starting as a rubber stamp company distributing its wares via horse drawn carriage throughout the city of Brockton, MA. Office products were soon added to the company's product portfolio, and various other product lines have similarly been added over the past 115 years to now include facilities maintenance and break room supplies, multipurpose and specialty paper, retail supplies, mailing and shipping supplies, office technology, ink and toner, furniture, and printing and ad specialty products in addition to the aforementioned stamps and office supplies. The Company also maintains a full on-site coffee service. The Company provides Next Business Day delivery of these products on its own fleet of over four hundred colorful and easily recognizable company owned trucks throughout all of New England, New York, New Jersey, Pennsylvania, Delaware, Maryland, northern Virginia, eastern Ohio, and most major U.S. metropolitan areas including Washington, D.C., Atlanta, GA, Miami and Orlando, FL, Dallas and Houston, TX, Cleveland, OH, Chicago, IL, Detroit, MI, the Twin Cities of Minnesota, Denver, CO, Phoenix, AZ, Los Angeles and San Francisco, CA, and Seattle, WA. The Company maintains three Local Service Facilities within the state of Maine (Augusta, Portland, and Bangor) from which it presently provides service to the state of Maine under the state's existing office products contract. Utilizing these facilities, plus its own stocking facility in South Boston, MA as well as wholesaler facilities in Woburn, MA, Coxsackie, NY, and Cranbury, NJ, the Company maintains a near 100% on time delivery record for the state and its end users, with approximately ninety percent of all deliveries made on its own trucks and with those deliveries made by a uniformed employee of W.B. Mason in possession of photo identification at all times, as well as a Daily Line Item Fill Rate (defined as the number of lines delivered complete Next Business Day divided into the total number of lines processed) averaging approximately 99.50%. With three Local Service Facilities, thirty seven sales representatives, eight customer service representatives and 16 delivery trucks all located within the state of Maine and the past four years as the contract holder for office supplies for the state of Maine, W.B. Mason feels that it has a superior service proposition in terms of experience and resources when compared to its competitors in providing office products to the state of Maine and its end users. Another company strength that the company will continue to leverage in servicing the state of Maine is its consistent level of growth. In the four year period in which it has serviced the state of Maine, the Company's sales have grown from \$823,140,001.06 for its Fiscal Year 2010 to \$1,231,388,704.52 for its recent Fiscal Year 2013, a growth rate of nearly fifty percent and a testament of the Company's commitment to each of its customer's individual and specific needs, its ability to meet those needs, and the response of the marketplace to that commitment.

2. Organization Location and Insurance

- a. Location of the corporate headquarters. If different, describe the current or proposed location where services will be provided or from which the anticipated contract will be managed.

W.B. Mason's corporate headquarters are located at 59 Centre St., Brockton, MA 02303. The Company provides sales and customer service to customers within the state of Maine from its three Local Service Facilities located at: 188 Water St., Augusta, ME, 106 Pine Tree Industrial Parkway, Portland, ME, and 78 Rice St., Bangor, ME. Management of the contract will take place from W.B. Mason's Portland Local Service Facility.

- b. Attach a certificate of insurance on a standard Acord form (or the equivalent) evidencing the Bidder's general liability, professional liability and any other relevant liability insurance policies that might be associated with this contract.

As part of this submission, W.B. Mason has enclosed a copy of its current Acord Certificate of Liability Insurance Certificate.

3. Description of Experience with Similar Projects

- a. Provide a description of five projects that occurred within the past five years which reflect the experience and expertise needed in performing the functions described in the "Scope of Work" portion of this RFP – for example, other state governments where the Bidder has provided a statewide office supply program. For each of the five examples provided, a contact person from the client organization involved should be listed, along with that person's telephone number and email address. Please note that contract history with the State of Maine, whether positive or negative, may be considered in rating proposals even if not provided by the Bidder.

In addition to being the contracted supplier for office products for the state of Maine for the past four years, W.B. Mason has similar longstanding agreements in place with a number of other state government and public entities. Below are five such projects that W.B. Mason has performed over the past five years that reflect the expertise and experience needed in performing the functions described within the state of Maine's RFP **Part II: "Scope of Work"**

1. **State of Rhode Island** Contact: Nancy McIntyre, Chief Purchasing Management and Support Services Phone: 401-574-8126 E-Mail: nancy.mcintyre@purchasing.ri.gov. W.B. Mason has been the contracted provider of office products to the state of Rhode Island for nearly twenty years. Since formalizing the latest Master Purchase Agreement between it and the State in 2007, W.B. Mason has received four full one year extensions of that contract as well as a recent three month extension that will take the existing MPA through at least September 30, 2014. The Company provides Next Business Day delivery on its own trucks on orders of any size for thousands of office supplies, toner items, copy paper items, and school supplies to all state agencies, as well as municipal and school agencies within the state that also utilize the state MPA with W.B. Mason. All deliveries are made by uniformed employees of W.B. Mason, with no work whatsoever being subcontracted. Over the duration of the latest MPA, W.B. Mason has proactively managed this contract with regards to product updates when warranted in the case of discontinuance of contracted items, stewardship and ongoing management of the Hewlett-Packard Big Deal for the state of Rhode Island, delivered Next Business Day to all corners of the state, maintained a dedicated outside account executive and inside customer service representative for the state, provided comprehensive reporting with regards to usage, rebate calculation, etc., and actively marketed the program throughout the state to all municipal and school districts, in addition to state agencies proper. Purchases by the state and other affiliated entities are approximately

ten million dollars per year.

2. **State of New Hampshire** Contact: Robert Lawson Phone: (603) 271-3147Ext. 224E-Mail: robert.lawson@nh.gov. W.B. Mason has been the contract holder for office supplies with the state of New Hampshire for over ten years continuously, implementing the latest agreement with the state in November of 2013. The company provides office supplies of various types plus copy paper to virtually all state agencies as well as a number of municipal and school entities that piggy back on to the agreement as well. The Company provides Next Business Day delivery to the entirety of the state on its own fleet of colorful and easily recognizable trucks, with deliveries made by uniformed employees of the Company in possession of photo identification at all times. W.B. Mason has proactively managed this contract over the years, consistently providing prompt reporting data back to the state, marketing the contract to various municipal and school districts, providing locally based sales and customer support for the state from its New Hampshire based Local Service Facilities, and readily met state environmental objectives through the supply of recycled copy paper.
3. **Essex County (NJ)** Contact: Leonard Sorge Phone: (973) 621-5103 E-Mail: lsorge@admin.essexcountynj.org W.B. Mason has been the provider of office and related products, including toner and paper, to the County since 2007, generating annual sales in the process of over two million dollars, reflecting the degree to which W.B. Mason has successfully marketed the contract throughout the County, including the various school districts located within the County. W.B. Mason provides access to the County of its full range of catalog products, delivers on its own fleet of trucks and with its own employees throughout the entirety of the county, provides locally based, dedicated sales and customer service support to all County end users and administrators from its Local Services Facilities in Secaucus and South Brunswick, NJ, provides timely and accurate reporting back to the County, furthers County goals with regards to sustainability through the supply of thousands of recycled and otherwise "green" items including copy paper, binders, filing supplies, etc., and makes ordering easy for County end users, as it does for ALL W.B. Mason end users, by accepting orders via toll free telephone, toll free fax, and online at www.wbmason.com, its fast and easy to use online ordering platform.
4. **The Education Cooperative (TEC)**Contact: Maureen DeChristoforo Phone: (781) 326-2473 E-Mail: mdechistoforo@tec-coop.org. W.B. Mason has been the provider of contract copy paper and office supplies for a number of years; recently, it has rapidly expanded its distribution of toner to the various members of the Cooperative, which currently consists of nearly sixty cities/towns and school districts and/or collaboratives located throughout eastern and central Massachusetts. The sales penetration by W.B. Mason into the Collaborative is the result of prompt and thorough distribution on its own trucks emanating from a number of Local Service Facilities located throughout Massachusetts, comprehensive sales and customer service support also locally based in these facilities, easy ordering methods including a customized purchase order containing TEC contract items, and the largest products offering of paper, office, school, and technology supplies of any one provider, including a wide breadth of recycled and otherwise "green" items. For its recently concluded Fiscal Year 2013-14, TEC purchases from W.B. Mason totaled over four and one half million dollars.
5. **South Shore Regional (MA) Services Consortium** Contact: Lorraine See, c/o the Massachusetts Area Planning Council Phone: (617) 933-0766 E-Mail: lsee@mapcorg. W.B. Mason has held contracts for office supplies and toner with the Consortium, currently consisting of the Massachusetts communities of Braintree, Cohasset, Duxbury, Hingham, Hull, Marshfield, Milton, Norwell, Pembroke, Scituate, and Weymouth, continuously since 2006. Services provided by W.B. Mason that are consistent with those as stated by the state of Maine in its RFP# 201402689 include Next Business Day delivery on orders of any size to

BP 54 - AGREEMENT TO PURCHASE SERVICES

all end users, access to W.B. Mason's Catalog of Office Products which includes thousands of office, paper, and toner supplies available for Next Business Day delivery including thousands of recycled and otherwise "green" items ranging from adhesives to waste can liners, the extension to end users of the consortium of a multifaceted ordering platform including toll-free phone ordering, toll-free fax ordering, and ordering online via www.wbmason.com, processing of payment via a variety of methods including standard check as well as credit card, usage reporting provided promptly to both contract administrator as well as individual municipal program administrators and/or end users (as appropriate), the support of any relevant municipal sustainability programs via solutions such as the supply of recycled copy paper, the assignment by W.B. Mason of a dedicated outside Account Executive and inside Customer Service Representative to all cities and towns of the Consortium, and transparent and readily accessible pricing consistent with the terms of the contract.

- b. If the Bidder has not provided similar services, note this, and describe experience with projects that highlight the Bidder's general capabilities.

N/A. See five projects referenced above.

4. **Contract Performance History**

If the Bidder or any proposed sub-contractor has had any contract terminated for cause (or default) during the past five years, all such instances must be described as required below. Termination for cause is defined as notice to stop performance due to the Bidder's nonperformance or poor performance. Bidders must submit full details of all terminations for default experienced by the Bidder during the past five years, including the other party's name, address, and telephone number. The response to this subsection must present the Bidder's position on the matter.

If no such terminations for cause (or default) have been experienced in the past five years, the Bidder shall declare so within its proposal.

If at any time during the past five years, the Bidder has had any contract terminated for convenience, non-allocation of funds, or any other reason, in which termination occurred before completion of all obligations under the initial contract provisions, describe fully all such terminations including the name and address of the other contracting party and the circumstances surrounding the termination.

If no such terminations for convenience have occurred in the past five years, the Bidder shall declare so within its proposal.

W.B. Mason hereby states herein that, during the past five years, it has not had any contract terminated for nonconformance or poor performance, nor has it defaulted on any contract. The Company states further herein that, during the past five years, it has not had any contract terminated for convenience, non-allocation of funds, or any other reason in which termination occurred before completion of all obligations under the initial contract provisions.

Section II Response to the Scope of Work

- i. **PRODUCTS** – The Bidder shall provide information on the quality and types of items that would be available through this contract. Describe how the continuity of products is ensured, and why and how brands might be changed throughout the term of the contract (if ever). Also, Bidders must understand

BP 54 - AGREEMENT TO PURCHASE SERVICES

that the resulting contract will be for office supplies only, and that, at the sole discretion of the State, end-users would not be permitted to purchase certain office supplies and other categories of supplies or equipment that may be offered in the selected Bidder's inventory. Describe how products that the State deems not approved for purchase can be restricted from inadvertent or intentional misuse by the end-users. Also describe what mechanisms are available to promote "Core List" items (with the most advantageous pricing) over other inventory items that might appear equivalent.

W.B. Mason will make available to the State of Maine the categories of products specified by the state within RFP# 201402689 including printer toner, paper, and office supplies. While publicly held big box suppliers rely disproportionately heavily on private label/proprietary brand products that are sourced overseas and subject to frequent item number changes and adjustments or outright discontinuances, W.B. Mason has aligned itself primarily with domestically based recognized manufactures of the highest standing such as the 3M Corporation, Acco Brands, Avery, Hewlett-Packard, and the Sanford Corporation, thus ensuring that the trusted brands and products featured by W.B. Mason and purchased by its customers today will be around for many years to come. In the event that a supplying manufacturer does discontinue a product or products that are contracted for the State of Maine, W.B. Mason will provide sufficient notice to the State through periodically conducted business reviews. Regarding the discontinuance of products, W.B. Mason will replace the discontinued item(s) on the contract with an item of equal or greater quality at a price equal to or lower than the discontinued item(s). Given the proximity of W.B. Mason's Locally Based management team, operating out of three Local Service Facilities maintained by the Company within the State's borders, communication back to the State by W.B. Mason's Account Management Team is always prompt and comprehensive. Product(s) that the State deems not approved for purchase (examples might include items that fall within a particular product category, items with a net price in excess of a predetermined limit, items with a list price in excess of a predetermined limit, etc.) are easily restricted by W.B. Mason both on its online ordering platform as well as through other ordering methods, as W.B. Mason's highly trained, dedicated, and locally based Account Management Team for the State will be and has for several years been thoroughly familiar with all purchasing rules maintained by the State. Under the online scenario, at administrative directive, designated items can be restricted entirely from end user view, or, alternately, such items can be restricted by a block at point of purchase accompanied by a pop up notification that can be customized to reflect any language of the prevailing administrator's choosing. If said administrator judges any misuse of any item or category of items to be of such a nature where approval for purchase is deemed a more desirable solution than outright restriction of such item(s), W.B. Mason's online ordering platform can be configured to maintain multiple layers of approval routing, so that approval from one or more designated approvers must be attained before transaction is processed by W.B. Mason. W.B. Mason is able to promote utilization of core list by end users through a variety of highly effective means. At the most basic level, W.B. Mason makes core list items clearly and readily accessible through its intuitive "My Account" tab located in the center of the site's home page. Additionally, W.B. Mason can restrict end user access to only the core list, ensuring maximum compliance. In a situation where that functionality is deemed to be too restrictive, W.B. Mason's online "Swap-'N-Save" program is a highly effective demand management tool that suggests to end user at point of purchase an alternative item of equal or greater quality at a cost equal to or less than that of the item originally selected. This program has saved W.B. Mason customers millions of dollars in the aggregate and has proven to be a welcomed demand management option for hundreds of purchasing program administrators throughout "Masonville".

- ii. **STATEWIDE DISTRIBUTION** - The State of Maine requires next-business-day delivery as a result of this RFP. The Bidder shall confirm its ability to provide next-business-day delivery, and provide a detailed narrative and/or schematic of its distribution network covering the entire State of Maine. The narrative shall also include nominal fill rate expectations at each level of the distribution

BP 54 - AGREEMENT TO PURCHASE SERVICES

network, time requirements to receive from each level, how the items from various levels are consolidated and/or delivered for the customer's convenience, whether deliveries are made via company employed trucks and operators, or via subcontracting. Additionally, please discuss what procedures and/or processes have been developed to ensure that there is no loss of delivery infrastructure or capability during the period of performance of the anticipated contract.

The W.B. Mason Company provides Next Business Day delivery throughout the State of Maine on sixteen company owned vehicles, with distribution emanating from Company maintained Local Services facilities located in Portland, and Bangor. Additionally, sales and customer service support for the State of Maine is based in W.B. Mason's Augusta Local Service Facility. In addition to maintaining inventory in each of these Local Service Facilities, W.B. Mason also accesses inventory daily for State of Maine end users from its regional stocking hub located in South Boston, MA while accessing inventory for State of Maine end users daily from wholesaler facilities located in Woburn, MA, Coxsackie, NY, and Cranbury, NJ. This wide ranging access to inventory enables W.B. Mason to consistently maintain a daily line item Fill Rate in excess of 99.50%, resulting in more complete deliveries, better service, and, ultimately, lower prices for W.B. Mason as W.B. Mason makes the fewest deliveries per order of any office products dealer and passes those operational savings on to its customers. The Company maintains warehouse staffing during all three shifts, and it is during the second and third shifts that orders are picked and the products contained are combined at each Local Service Facility as applicable into complete single orders for all end users. State of Maine end users receive Next Business Day delivery on orders placed by 6:00 PM local time, and the Company maintains live customer service until 6:00 PM Monday through Friday to assist customers in placing those sometimes unavoidable last minute orders for Next Business Day delivery. W.B. Mason makes deliveries for State of Maine end users on its own fleet of iconic trucks, running sixteen trucks within the State of Maine. All deliveries made on W.B. Mason trucks are effected by uniformed employees of the Company in possession of photo identification at all times. With regards to continuity of service, W.B. Mason has demonstrated its long term commitment to State of Maine inclusive of all customers therein by building and opening in 2010 a 60,000 square foot state-of-the-art Local Service Facility in the City of Portland which currently employs approximately sixty people including sales, customer service, and distribution personnel. To ensure consistently high levels of service throughout the State, W.B. Mason operates two additional Local Service Facilities, one in Bangor, the other in Augusta. The result is a far reaching, substantial, meaningful, and enduring presence within the State will continue to the mutual benefit of both W.B. Mason and its customers within the State of Maine for many years to come.

- iii. PLACING ORDERS** - The Bidder shall describe all ways that orders may be placed from users. At a minimum, the State of Maine requires a comprehensive, user-friendly online ordering system that accepts credit card payments. Also describe the internal processing of orders once received from an agency. The State would be interested in learning about, and if feasible, using state of the art ordering, payment, usage reporting, and delivery systems to reduce administrative and overhead costs. Describe the capacity to provide online ordering and toll-free telephone ordering. Please note: After contract award has been made, if an ordered item is out of stock, the Contractor must notify the ordering entity for prior approval before substituting for the out of stock item.
- iv.** W.B. Mason accepts orders via toll-free telephone, toll-free fax, and online via www.wbmason.com, the Company's fast and intuitive online ordering platform, designed with both the end user and administrator in mind. While end users appreciate the platform's advanced search functionality, easy access to favorites and other quick ordering lists, and plainly visible icons drawing their attention to recycled items, items manufactured by minority and/or women owned business enterprises, and best value items, administrators value greatly the sites advanced business controls

BP 54 - AGREEMENT TO PURCHASE SERVICES

including versatile approval routing, budget functionality for individual departments, cost centers, and/or end users, item restriction capability, and cost saving innovations such as "Swap-N-Save". Orders received by W.B. Mason are processed literally from the moment of receipt, as internal order tickets print constantly throughout the business day that indicate the sourcing facility for each item on each order, and items are picked soon after production of such slips. Overnight during second and third shifts, orders are completed by combining inventory from various W.B. Mason and wholesaler stocking facilities at the Local Service Facilities from which W.B. Mason provides distribution and are loaded onto W.B. Mason delivery vehicles early each morning in anticipation for vehicle launch from Local Service Facility base at approximately 7 AM each business day. Each order is shipped in packaging that is labeled with all relevant customer information including name and address of customer, name of end user, order number, purchase order number issued (if applicable), and piece count for each order. Each order also contains a detailed packing slip containing full inventory of order including item number, item description, unit of measure, quantity ordered, and quantity shipped for each item making up the complete order. These ordering, order fulfillment, and distribution processes make up but a part of W.B. Mason's state-of-the-art business platform, and these business functions are complemented by a flexible array of customer payment options, including conventional check, credit or purchasing card, wire transfer, or third party payment system through customer software such as Oracle or Ariba. This platform is further enhanced by detailed reporting capabilities, both standard and customized, offered to customers by W.B. Mason. As part of periodic business reviews that W.B. Mason conducts with its customers, W.B. Mason provides a standard Performance Summary which touches on key metrics such the results on ongoing cost containment initiatives, W.B. Mason product Fill Rate, customer purchase of MWBE and/or recycled products, and various other issues of a like nature. For customers who have specific key metrics of particular interest that may not necessarily be detailed in depth by W.B. Mason's standard reporting suite, the Company frequently develops customized reporting that focuses primarily on those specific customer metrics. Samples of these reports will be provided by W.B. Mason upon request. The combination described above of W.B. Mason's locally based sales, customer service, and distribution with expansive presence within the State of Maine, its pinpoint delivery capabilities, its flexible and technologically advance ordering options, and its comprehensive and flexible reporting capabilities make the Company the ideal solution for any entity committed to reducing administrative and overhead costs. If an ordered item is out of stock, the W.B. Mason notifies the ordering entity of the backorder and to take directive on how the ordering entity wishes to proceed. Options available to the ordering entity include waiting for backordered to come into stock, typically a one to three day process. Alternately, the ordering entity may elect to receive for Next Business Day delivery an item of equal or greater quality at a price less than or equal to that of the original item ordered.

- v. **PAYMENT** - The Bidder shall describe all ways that payment can be made by the State. At a minimum, the State of Maine requires payment via credit card – specifically, via the State's official Procurement Card (P-Card) solution – as well as payment by check for instances when a P-Card is not available within a State agency.

W.B. Mason accepts payment by all major credit cards, P-Cards, conventional check, wire transfer, and payments made via a third party customer platform such as Oracle, Ariba, or the like.

- vi. **REPORTING** – On a quarterly basis, the Bidder shall provide information on usage reporting, payment reporting, and real-time delivery tracking capabilities and the types of information that would be available to the State in an electronic format. It will be the Bidder's responsibility to schedule and hold all quarterly meetings on a timely basis, at a location of the State's choosing (such as a State

BP 54 - AGREEMENT TO PURCHASE SERVICES

facility or a facility owned by the Contractor) and provide electronic copies of reports at least one week prior to quarterly meetings. Usage reporting information is considered to be information such as ordering entity (e.g. governmental entity within Maine), order number, date of order, date of delivery, item, quantity, unit price, item total, and total cost by account. Payment reporting information is considered to be information such as order number, amount invoiced, amount paid, when payment was received, and any data pertaining to outstanding amounts due. State the expected time required to respond with requested reporting information from the time of the request (if not regularly scheduled or available online), and whether the information is available online to the departmental end-users and the Division of Purchases. Reports must be provided in either MS Word® and/or MS Excel® formats.

W.B. Mason will continue to provide to the State of Maine comprehensive reporting inclusive, at a minimum, of usage reporting, payment reporting, and other types of reporting that is typically available in electronic format. Additionally, the Company can provide to the State of Maine customized reporting in order to assist in tracking metrics of particular interest such as reporting on State purchases of recycled or otherwise "green" items, State purchases of items manufactured by Minority/Women owned business enterprises, Line Item Fill Rate information, etc. The Company will assume the responsibility of scheduling and conducting quarterly business reviews with authorized State personnel at intervals and at times and locations specifically approved by such State personnel. All reporting will be supplied by W.B. Mason in either MS Word or Excel, or both, as specified by the State. Standard reporting is typically provided by W.B. Mason within forty eight hours of request; examples of reporting available online include cost center activity summary reports, online usage reports, ship-to/user order summaries, etc. Customized reporting of a specialized nature that is requested outside of the rubric of regularly scheduled business reviews typically takes approximately five business days from date of request. Occasionally, highly technical customized reporting takes a little longer.

vii. CORPORATE COMMITMENT - The Bidder shall make a commitment that, if selected, the resulting program shall have the support of senior management, especially as it relates to providing exceptional customer service to State of Maine departments and agencies; and if a lower price is available to the holder of a pre-existing contract with similar requirements and usage, the supplier will also meet and provide that price to the State of Maine. Please provide the name of a senior level manager who would champion this commitment.

W.B. Mason hereby commits that, if selected, the program offered to the State of Maine by W.B. Mason will have the support of the Company's senior management, inclusive of the company's Massachusetts based ownership group consisting of Leo J. Meehan III (President & Chief Executive Officer), Steven Greene (Chairman of the Board), John Greene (President, Office Supplies Division), and Tom Golden (President, Office Furniture Division). This ownership group, which has owned the W.B. Mason Company in its entirety since the early 1980's, has time and again demonstrated its commitment to the State of Maine by opening three Local Service Facilities within the State and over seventy residents of the State of Maine in providing service to thousands of W.B. Mason customers within the State. W.B. Mason also commits to matching pricing to the State of Maine in instances where a lower price is offered by W.B. Mason to the holder of a pre-existing contract with similar requirements and usage. This commitment will be championed by Rob Pascale, W.B. Mason's Portland Branch Manager who has been the lead liaison for the Company for the State for several years. Additionally, Jeff DePaul, W.B. Mason's Senior Regional Sales Manager for northern New England, will participate in all elements of contract performance as needed.

viii. SUSTAINABILITY- The Bidder shall provide a description of its implementation and use of sustainable product offerings and business practices that have minimal environmental impact.

W.B. Mason’s environmental policy is to transact business on a daily basis in a manner that consistently strives for and achieves the highest possible level of environmental coexistence. It puts this mandate into practice into all operational aspects of the business. For example, W.B. Mason’s delivery vehicles have been programmed for several years to shut down after three minutes of idling time in an effort to reduce emissions and fuel consumption, and speed governors have been installed on W.B. Mason delivery vehicles limiting their maximum speed to 66 MPH. This also serves to improve fuel conservation and reduce carbon emissions.

W.B. Mason takes a “green” outlook towards its marketing materials, both in terms of content and composition. As noted below, W.B. Mason features thousands of items in its Catalog that are environmentally friendly in various ways, clearly drawing the attention of end users to those items with relevant icons such as the familiar ‘recycled’ icon and others as illustrated below:

Sustainable Forestry Initiative

ACMI Certified Non Toxic

The Company has also begun producing hardbound catalogs which are printed on recycled paper using soy based inks with the goal of making its catalog completely recyclable. Additionally, W.B. Mason has also refocused its marketing efforts to a great degree towards more “virtual” promotions, increasing basing such promotions and customer correspondence on E-mails and web blasts as opposed to printed promotional materials. Some of W.B. Mason’s environmental initiatives come from the unlikeliest of sources. After seeing a news presentation on the environment choking proliferation of plastic beverage bottles collecting in the world’s oceans, one of W.B. Mason’s owners was determined to offer a viable, greener alternative to W.B. Mason’s customers. Soon thereafter, W.B. Mason’s five gallon bulk ‘Blizzard’ Water Cooler Service was born, designed to provide pure and refreshing spring water to W.B. Mason customers without the waste of disposable plastic bottles. We are pleased to report that the program has been extremely successful and we would be equally pleased to provide this service to the State of Maine as it now does the State of New Hampshire. Other initiatives actively pursued by the Company include the recovery and removal from customer locations of spent toner cartridges for subsequent reuse as well as the promotion and distribution of multiple grades of recycled copy paper including 30% recycled, 50% recycled, 100% recycled and recycled paper in various grades including 20#, 24# and colored copy paper. As noted above, W.B. Mason draws the attention of the end user to recycled toners, copy paper, and other recycled and/or green items through the use of various icons in both its hardbound and online catalog materials in order to maximize the convenience for end users to select such products. W.B. Mason can also facilitate the creation of online laundry or “favorites” lists of items containing recycled content as another convenient way to bolster customer consumption of recycled

BP 54 - AGREEMENT TO PURCHASE SERVICES

and/or "green" items. Yet another means by which W.B. Mason can increase such customer consumption is through its online "Swap-'N-Save" program. Primarily configured as an online savings program, W.B. Mason's "Swap-'N-Save" program offers to end users at point of purchase optional lower cost alternatives. At administrative behest, this program can be configured to offer recycled/green alternatives at point of purchase on thousands of everyday office products including toner, copy paper, filing supplies, pads, writing implements, and more, thereby making the program a veritable "Swap-'N-Save the Environment" program. W.B. Mason will continue to provide to the State monthly reporting detailing State purchasing of recycled items.

ix. CUSTOMER SUPPORT - The Bidder shall explain what customer support is available to departmental end-users in the State of Maine, how they are made aware that it is available, and how to access it. This information must include the name of an Account Manager, whom State agency end-users can contact in the event of an issue. Also, discuss how complaints, issues, and challenges are generally resolved. Discuss when, how, and with whom in the Bidder's management team the State of Maine can exchange feedback, and identify/resolve problems.

W.B. Mason will provide dedicated sales and customer service support to the State of Maine and will make their services plus those of W.B. Mason's 200+ strong customer service department for all State end users. W.B. Mason's lead outside Account Executive for the State of Maine is Brian Olas. Brian has over fifteen years of experience in the office products industry including the past eight with W.B. Mason. Brian has been W.B. Mason's lead Account Executive for the State of Maine for the full duration of the present contract between the two parties. The Company has also dedicated Heather Gwinn as the dedicated customer service representative for the State during the full course of the current contract. Heather has been with the Company in a customer service capacity for the past seven years and works primarily out of W.B. Mason's Portland Local Service Facility while also working periodically out of W.B. Mason's Local Service Facility. Both Heather and Brian's contact information is accessible via the www.wbmason.com homepage custom center stage enjoyed by all State end users. Concurrent with Heather's assignment by W.B. Mason as the dedicated customer service representative for the State of Maine, Heather was made the customer service manager for the Company's Maine regional operations. Additionally, W.B. Mason employs a total of eight customer service representatives in the State of Maine in its three Local Service Facilities located within the State, all of whom are and will be fully versed in the full details of any agreement between the Company and the State, thus ensuring prompt, knowledgeable, and courteous customer service on a consistent basis for state administrators and end users. Any issues that may arise during the normal course of contract execution, regular or otherwise, are typically handled by this Management Team and/or by Rob Pascale, W.B. Mason's Portland Local Service Facility Manager who oversees the day-to-day account management team assembled by W.B. Mason for the State. This team, including Rob Pascale, is accessible during normal business hours of 7:30 AM through 6:00 PM Monday through Friday. Additionally, Brian and Rob are available twenty four hours a day, seven days a week via cell phone to address any emergency issues that the State may have regarding rush deliveries or other matters of a similar nature. This team assembled by W.B. Mason is empowered to resolve all problems should they occur to the satisfaction of the State.

x. PRICING - The Bidder's prices shall be competitive. Explain how this pricing was determined and why your pricing was deemed the lowest or most advantageous to the State of Maine.

The pricing offered herein by W.B. Mason has been determined by the Company to be an offer commensurate with and/or better than the best pricing available in the market today that offers the best possible value to the State of Maine based on its specific consumption patterns.

- xi. IMPLEMENTATION PLAN** - The Bidder shall provide a plan to market and transition current statewide users to your program, including roll-out, training, marketing, web ordering, etc. The Bidder shall specify in its plan, in days, how soon orders can be placed by the State of Maine after this RFP's contract award announcement has been made. Please note: the ability to accept orders promptly after the contract award announcement does not mean that the Bidder's full programmatic solution needs to be in place. Temporary "stop-gap" measures to accept orders are allowable within the earliest phase of the program. Please note, the contract resulting from this RFP is anticipated to start on June 10, 2014, allowing for a transition period as the State's current office supplies contract runs through June 30, 2014. The contract that results from this RFP must be fully operational by July 1, 2014.

As the current contract holder for office products with the State of Maine, W.B. Mason's full program for the State is currently in place. Upon award of contract, pricing could be activated under terms of that contract the day the contract is officially consummated and all aspects of service and delivery can continue for the State without any interruption of any kind whatsoever.

XI. OPPORTUNITIES FOR MUNICIPALITIES, POLITICAL SUBDIVISIONS, AND SCHOOL DISTRICTS

The State of Maine Division of Purchases is committed to providing purchasing opportunities for municipalities, political subdivisions, and school districts within the State of Maine. The State's contractors are encouraged to make their products and services available to these entities through separate contracts, but under the same terms offered to the State of Maine. Contractors may be asked to provide products and services to these entities. The Bidder shall indicate in its proposal its willingness to work with these other entities within the State of Maine, should those entities seek to do business with the State's selected Contractor.

W.B. Mason would be happy to extend the products and services available to municipal entities of the State of Maine, political subdivisions of the State, and school districts located within the State, as well as the University of Maine system, under the same terms offered to the State of Maine, under separate contracts.

xii. QUALITY ASSURANCE

The contract that results from this RFP must be clear, consistent, transparent, and fair for all parties involved. To that end, the State of Maine requires superior quality assurance and internal controls from its Contractor. Bidders shall explain how they will conform to and support the following quality assurance expectations under the resulting contract, and recommend other possible quality assurance elements that can be provided at no additional cost.

1. **Internal Audits performed by the Contractor:** The Contractor may be requested by the State of Maine to perform internal audits from time to time. An audit could be requested, for example, in the event that there is an apparent inconsistency between contracted and invoiced pricing. (Note: The State of Maine intends to perform its own internal auditing as a separate activity from any internal audit performed by the Contractor.) Internal audits, when requested, shall be performed by the Contractor at no additional cost.
2. **Product Sampling:** The Contractor may be requested by the State of Maine to provide office supply product samples from time to time. The purpose of product samples is to ensure quality and conformance to specifications.

Internal Audits performed by the Contractor: W.B. Mason will perform internal audits based on any criteria determined by the State at any time during the course of the Agreement at no charge to

BP 54 - AGREEMENT TO PURCHASE SERVICES

the State. W.B. Mason hereby acknowledges, additionally, the intention of the State to perform its own internal audit as a separate activity from any internal audit performed by W.B. Mason.

Product Sampling: W.B. Mason would be happy to provide samples to the State of Maine upon request at any time during this RFP process and during the course of any resulting Agreement in order to ensure product quality as well as conformation of those products to any stated State product specifications.

Over the course of the existing contract between W.B. Mason and the State of Maine, the Company has provided back to the State abundant reporting with regards to various quality controls. Examples of such reporting include reporting which documents W.B. Mason's short ship rate (approximately 2/10ths of one percent), a reconciliation and verification of the P-Card discount offered at point of purchase to the State by W.B. Mason, identifying and rectifying any errors as they are identified, reporting provided by W.B. Mason that identifies discontinued items as well as documents suggested alternatives for those items, rebate reporting, web sales reporting, etc.

Section III- Cost Proposal

W.B. Mason has provided all required pricing information as part of its response, including Appendix B Line Item Pricing for the State's Top 1000 items and the Appendix B Off-Core Cost Proposal. Please note that W.B. Mason has provided pricing for the State's Top 1000 items both on the basis of providing exact matches to the State for all items as well providing a separate attachment containing lower cost alternatives. Please note also that all alternates, where applicable, have been priced by W.B. Mason in the existing State of Maine Unit of Measure. Where W.B. Mason's selling Unit of Measure differs from that of the current State of Maine item, it has also provided its pricing per its selling Unit of Measure as a separate attachment in **Section V (Required Proposal Attachments)** as an excel file entitled 'Appendix B- Option 1A- Alternates with price in both State UOM and WBM UOM where different)

Section IV Economic Impact within the State of Maine

The W.B. Mason Company has for several years and continues to have a substantial and growing impact within the State of Maine. The Company operates at present three Local Service Facilities within the State of Maine, in the communities of Augusta, Portland, and Bangor. In those facilities the Company presently employs seventy full time residents of the State of Maine who pay State income tax as a direct result of their employment with W.B. Mason. These residents pay various other taxes into state coffers owing in part to their income earned while working for the Company such as property taxes, sales taxes, excise taxes, and the like. W.B. Mason has grown substantially within the State of Maine and continues this rapid growth, offering additional employment opportunities to Maine residents such as recruiting from local colleges and universities within the State in an effort to help encourage graduates to remain within the State after graduation. In addition to investing in the residents of the State of Maine, W.B. Mason also invests in other businesses located within the State. Its cleaning and trash collection services for its three Local Service Facilities, its HVAC systems providers for those facilities, its corrugated recycler, and its contract furniture installers (utilized for contract and systems furniture jobs- not involved as a subcontractor in any aspect of W.B. Mason's performance of present or future office products contracts) on projects located in Maine are all Maine based companies, one of the aforementioned furniture installers currently employing thirty Maine residents. W.B. Mason's statement and invoicing processing company wide is provided by a Maine based company. With regards to the three Local Service Facilities from which the Company operates within the State, the Company leases its Augusta Local Service Facility from a local Maine resident and pays the local property tax for this facility. Likewise, W.B. Mason leases its Bangor Local Service Facility from a local business owned and based within the State. The Company built in 2010 and continues to operate its Portland Local Service Facility located at 106 Pine Tree

BP 54 - AGREEMENT TO PURCHASE SERVICES

Industrial Parkway, paying all applicable taxes and fees associated with the operation and occupancy of the building in the process. In an era where nationally based office products distributors are significantly diminishing their presence within the State in terms of both manpower and facilities (employing fewer Maine residents, operating fewer trucks, etc.), W.B. Mason continues to invest heavily in its presence within the State. In addition to the aforementioned Local Service Facility opened in Portland in 2010, W.B. Mason continues to operate sixteen Company owned vehicles in the State, contributing to the State the required state licensing fees and CDL certifications required in the operation of those vehicles while contributing further to the State at a rate of thirty cents per each gallon of gasoline utilized by these sixteen trucks in the course of making tens of thousands of deliveries within the State each year. The Company also has a further economic impact within the State via its contribution to a number of various Maine based charities including Sweetser, Catholic Charities of Maine, and The Salvation Army, to name but a few.

Appendix B

**State of Maine
Department of Administrative and Financial Services
Bureau of General Services
Division of Purchases**

COST PROPOSAL FORM

**RFP #201402689
Statewide Office Supply Program**

Bidder's Organization Name: W.B. Mason Co., Inc.

- For the State of Maine's top 1,000 "Core List" Items, please see the attached spreadsheet, and enter unit pricing and requested information in the open cells provided on that sheet (highlighted in yellow). Please do not change the order of the items listed, or delete any items.
- For all items purchased by the State of Maine that are not included within the "Core List", the State seeks to pay a fixed percentage discount from the Bidder's printed catalog list price. Bidders shall complete the table below, showing their standard catalog categories, and the fixed percentage discount offered.

Catalog Category Name	Fixed Discount from List Price Percentage Offered
<i>Example: "Technology and Communications Supplies"</i>	<i>Example: 35%</i>
Facilities Maintenance	35.50%
Break Room	32.50%
Multipurpose Paper	77.50%
Specialty Paper	57.50%
Office Supplies	57.50%
Retail Supplies	32.50%
Mailing & Shipping Supplies	57.50%
Office Technology	35.50%
Ink & Toner	35.50%
Stamps	57.50% (excludes custom stamps)
Furniture	40.50%

(Insert additional rows as needed, in accordance with the Bidder's catalog category structure.)

- For all items purchased by the State of Maine that are not included within the "Core List", and otherwise not clearly represented in the Bidder's standard, printed catalog, the State seeks to pay a fixed percentage discount from an agreed upon list price that would otherwise be offered to the general public. Bidders shall complete the table below, showing their fixed percentage discount offered for these "other" items. The State anticipates that very few items would fall under this purchasing category, but includes this discount as a means to guarantee that the State should not pay list price under any circumstances.

Fixed Discount from Agreed List Price Percentage Offered (“Other” Items)
<i>Example: 35%</i>
6% off of WBM Open Web
Fixed discount of 6% off of W.B. Mason’s Open Public Website resulting in discounting of up to 81% off Mfr. List Price

Additional Cost Savings/Incentives for State of Maine

Volume Rebate, paid within ninety (90) days of the end of the contract each year on qualifying net purchases (net purchases defined as purchases less credits and returns) under this contract by the State of Maine and University of Maine:

<u>Annual Net Purchases</u>	<u>Annual Rebate %</u>
\$0-\$2,249,999.99	2.50%
\$2,250,000.00 - \$3,249,999.99	3.75%
\$3,250,000.00 +	5.00%

NOTE: Any net purchases rebated directly to the University of Maine will count as volume towards the annual net purchases referenced above, but will not be rebatable to the State of Maine.

Payment Term Discounts:

<u>Payment Terms</u>	<u>Additional Discount %</u>
Invoice paid by use of Electronic Fund Transfer or P-Card within 20 days	2.25%
Invoice Paid by check within 10 days	2.25%
Invoice paid by check within 29 days	2.25%

Average Order Size Rebate:

<u>Average Order Size</u>	<u>Annual Rebate %</u>
\$150.00 - \$199.99	0.10%
\$200.00 - \$299.99	0.20%
\$300.00 +	0.50%

STATE OF MAINE
 Department of Administrative and Financial Services
CONTRACT FOR SPECIAL SERVICES - AMENDMENT

BY AGREEMENT of both parties this 16th day of June, 2016, the Contract for Special Services between the State of Maine, Department of Administrative and Financial Services (DAFS), Bureau of General Services (BGS), Division of Purchases (Division) whose address is 111 Sewall Street, Burton Cross Building, 4th Floor, 9 State House Station, Augusta, Maine 04333-0009, hereinafter called "Department," and WB Mason Company, Inc., hereinafter called "Provider," is hereby amended as follows:

1. The termination date is extended from 04/30/2016 to 06/30/2017
(old term date) (new term date)
 2. Core list prices have been amended in accordance with the attached, revised Appendix B, to be effective as of 07/01/2016.
 3. All non-core price categories have been amended in accordance with the tables below, to be effective as of 07/01/2016.
- For all items purchased by the State of Maine that are not included within the "Core List", the State seeks to pay a fixed percentage discount from the Bidder's printed catalog list price. The following table shows the amended fixed percentage discount offered:

Catalog Category Name	Fixed Discount from List Price Percentage Offered
<i>Example: "Technology and Communications Supplies"</i>	<i>Example: 35%</i>
Facilities Maintenance	33.50%
Break Room	30.50%
Multipurpose Paper	75.50%
Specialty Paper	55.50%
Office Supplies	55.50%
Retail Supplies	30.50%
Mailing & Shipping Supplies	55.50%
Office Technology	33.50%
Ink & Toner	33.50%
Stamps	55.50% (excludes custom stamps)
Furniture	38.50%

(Insert additional rows as needed, in accordance with the Bidder's catalog category structure.)

Fixed Discount from Agreed List Price Percentage Offered ("Other" Items)
<i>Example: 35%</i>
4% off of WBM Open Web
Fixed discount of 4% off of W.B. Mason's Open Public Website resulting in discounting of up to 81% off Mfr. List Price

Reason: Amending prices and extending master agreement to 06/30/2017.

All other terms and conditions of the original contract dated 07/01/2014, and as amended, remain in full force and effect.

IN WITNESS WHEREOF, the Department and Provider, by their duly authorized representatives, have executed this amendment in two originals as of the day and year first above written.

Division of Procurement Services Amendment Authorization Form

Form Instructions: This form must accompany amendments being proposed for approval to existing contracts.

Program Administrator:	Justin Franzose	Office/Division/Program:	DAFS/BBM/Procurement
Phone:	207-624-7337	CT Number:	MA #18P-140801*0027
Amendment Amount \$:	\$0.00 contract extension	Revised Agreement Amount: \$	\$0.00 contract extension
Amendment Date:	5/7/2018	Revised Agreement End Date:	9/30/2018
Provider/Vendor's Business Name and Address:	W B MASON CO INC 106 Pinetree Industrial Pkwy Portland, ME 04102		
VC Number:	VC1000094897		
Type of Service:	Statewide Office Supply Program (three month extension)		

1. Specific Problem or Need for Amendment:
Provide a full description of the amendment (what changes are being made to the contract) AND explain the necessity of the amendment (why the amendment needs to be done). Amendments are performed to make small changes to the scope of work, extend the termination date and/or change the cost of the agreement.

The current agreement end date is 6/30/18. This amendment changes the agreement end date to 9/30/2018. This amendment is necessary to allow time for a request for proposals (RFP) for a new statewide office Supply program.

2. Adjustment in Agreement Amount:
If the amendment includes the addition or reduction of funds, describe how the amendment amount was determined. If the amendment did not include a change to the agreement amount, state "N/A – this amendment does not modify the agreement amount".

N/A – this amendment does not modify the agreement amount.
