RIDER A
SPECIFICATIONS OF WORK TO BE PERFORMED

This contract is for the provision of Radio Support Services and is entered into by the Department and the Provider pursuant to RFP# 201504061. The RFP, RFP questions and answers, and the Provider's proposal are incorporated into this contract by reference. The following sections are adapted from the RFP and the Provider's proposal and are provided below for clarification and ease of reference.

This document creates a Master Agreement under which Radio Support services will be delivered. Hereinafter, the Master Agreement is referred to as the "Agreement" or "Contract".

The initial term of the Contract shall be for three years. Per the terms of the Request for Proposals (RFP), on mutual agreement between the State of Maine and the Provider, the Contract may be renewed for a period of two additional years beyond the initial Contract term.

1. Service Delivery

At the Department's request, the Provider will deploy technicians that will work on a time and materials basis by completing service order requests for radio support services statewide. The Provider will work under the direction of and report to the State's Program Administrator or designee. Prior to beginning any work, the State's Program Administrator or designee will forward a service order to the successful Bidder to perform the requested services via email and/or by telephone. The Provider will not begin work until an approved service order has been received.

The Provider will provide personnel, tools, equipment, and supplies when the service order is received from the State's Contract Administrator.

2. Dedicated Technicians/Key Personnel

The Provider must assign dedicated technicians to the Department in order to maximize their familiarity with radio infrastructure therefore expediting service restoration in the event of problems.

The Provider must notify the Program Administrator at least fourteen (14) calendar days in advance of any changes to dedicated technicians or key personnel. All changes are subject to the Department's final approval.

The following will be considered dedicated technicians and key personnel:

Lisa Grant – Project Manager
Nick Theriault – Foreman/Communications Technician
Jason Stewart – Foreman/Communications Technician
Richard Gaudreau – Foreman/Communications Technician
Ed Vajda – Radio Frequency Subject Matter Expert
Scott Walker – Radio Frequency Subject Matter Expert

The Provider will supply 'back-up' technicians in the event a 'dedicated' technician is out for an extended time.

3. Response Time

The Department must be considered 'high priority' over other clients for emergency call-in responses. The Provider will provide emergency response 24/7 to any site the Department is responsible for. The Provider must respond to requests within one (1) hour of a call being placed by the Department, twenty-four (24) hours, seven (7) days a week. The Provider must also have the ability to be onsite within four (4) hours of original service request, if requested by the Department.

The Department considers core business hours to be Monday-Friday 8 a.m. – 5 p.m. and extended hours will be defined as any hours outside core business hours including weekdays, weekends, and state holidays. Emergency response will be defined as the vendor must be onsite within four (4) hours of original service request.

4. Travel

Technicians may be required to travel to site locations statewide. Billing shall apply for one way travel time incurred by the technician. Any allowable mileage will be reimbursed for one way travel at the rate listed in the State Administrative & Accounting Manual <http://www.maine.gov/osc/travel/addtltravelinfo.shtml> , which is currently .44 cents per mile.

The Department considers Augusta, Maine the "home office". The Department will not pay any travel costs associated with a technician's daily commute to and from the "home office".

5. Reporting

The Provider will provide monthly reports to the Department within five (5) days of the end of each month. The reports will contain, at a minimum, the following information each month:

- a. Summary by region (North, South, East, West) listing each service order completed:
 - Service order number
 - Number of labor hours
 - Labor hour cost
 - Cost of parts/materials
 - Travel costs (to be broken down by number of miles traveled & travel hours incurred by technician one way)
 - Total cost
- b. Detail listing of any problems, issues, and/or any costs that may appear unduly high.
- c. Detail listing of any response time or quality issues, known to the successful bidders, or reported by the State, and their resolutions.

6. Invoicing for Service and Parts/Materials

The Provider will provide a weekly invoice to the Department for service orders completed within that week period. The billing will include the assigned contract number and will cross-reference the service order number issued by the Department.

7. Security

The Provider, sub-contractors, and all personnel will be required to undergo a fingerprint based background check performed by the Maine State Police. The State Police will make a decision whether an individual is dis-qualified to perform work for the State. This background check may also be performed periodically during the course of the awarded contract.

8. Confidentiality

Provider technicians will be privy to information regarding the design, configuration, and support of Maine's radio and network system. Successful Bidders must agree to use its best efforts to prevent and protect the information, or any part thereof, from disclosure to any person other than disclosing information in connection with the fulfilling service requests. In addition, the Provider agrees to take all steps reasonably necessary to prevent information from falling into the public domain or into the possession of unauthorized persons. AGREEMENT TO PURCHASE SERVICES (BP54-IT)

6. Contractors and Subcontractors with contracts in excess of \$50,000 shall also pursue in good faith affirmative action programs.

7. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Agreement so that such provisions shall be binding upon each Subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

9. **EMPLOYMENT AND PERSONNEL** The Provider shall not engage any person in the employ of any State Department or Agency in a position that would constitute a violation of 5 MRSA § 18 or 17 MRSA § 3104. The Provider shall not engage on a full-time, part-time, or any other basis, during the period of this Agreement, any personnel who are, or have been, at any time during the period of this Agreement, in the employ of any State Department or Agency, except regularly retired employees, without the written consent of the State Purchases Review Committee. Further, the Provider shall not engage on this project on a full-time, part-time, or any other basis, during the period of this Agreement, any retired employee of the Department, who has not been retired for at least one year, without the written consent of the State Purchases Review Committee. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Agreement, so that such provisions shall be binding upon each Subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

10. **STATE EMPLOYEES NOT TO BENEFIT** No individual employed by the State at the time this Agreement is executed, or any time thereafter, shall be admitted to any share or part of this Agreement, or to any benefit that might arise there from, directly or indirectly, that would constitute a violation of 5 MRSA § 18 or 17 MRSA § 3104. No other individual employed by the State at the time this Agreement is executed, or any time thereafter, shall be admitted to any share or part of this Agreement, or to any benefit that might arise there from, directly or indirectly, due to his employment by, or financial interest in, the Provider, or any affiliate of the Provider, without the written consent of the State Purchases Review Committee. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Agreement so that such provisions shall be binding upon each Subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

11. **NO SOLICITATION** The Provider certifies that it has not employed or contracted with any company or person, other than for assistance with the normal study and preparation of a proposal, to solicit or secure this Agreement, and that it has not paid, or agreed to pay, any company or person, other than a *bona fide* employee working solely for the Provider, any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon, or resulting from, the award of this Agreement. For breach or violation of this provision, the Department shall have the right to terminate this Agreement without liability or, at its discretion, to otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

12. **ACCOUNTING, RECORDS, AND AUDIT**

1. The Provider shall maintain all books, documents, payrolls, papers, accounting records, and other evidence pertaining to this Agreement, including interim reports and working papers, and make such materials available at its offices at all reasonable times during the period of this Agreement, and for a period of five (5) years following termination or expiration of the Agreement. If any litigation, claim or audit is started before the expiration of the 5-year period, the records must be retained until all litigation, claims or audit findings involving the agreement have been resolved.

AGREEMENT TO PURCHASE SERVICES (BP54-IT)

2. Unless the Department specifies in writing a shorter period of time, the Provider agrees to preserve and make available all documents and records pertaining to this Agreement for a period of five (5) years from the date of termination of this Agreement.

3. Records involving matters in litigation shall be kept for one year following the termination of litigation, including all appeals.

4. Authorized Federal and State representatives shall have access to, and the right to examine, all pertinent documents and records during the five-year post-Agreement period. During the five-year post-Agreement period, delivery of, and access to, all pertinent documents and records will be at no cost to the Department.

5. The Provider shall be liable for any State or Federal audit exceptions, if applicable, that arise out of any action, inaction, or negligence by the Provider. In the event of an audit exception for which the Provider is liable, the Provider shall have thirty (30) days to remedy that exception. If the Provider fails to remedy that exception within this time period, the Provider shall immediately return to the Department all payments made under this Agreement which have been disallowed in the audit exception.

6. Authorized State and Federal representatives shall at all reasonable times have the right to enter the premises, or such other places, where duties under this Agreement are being performed, to inspect, monitor, or otherwise evaluate, the work being performed. All inspections and evaluations shall be performed in such a manner that will not compromise the work unreasonably.

7. **ACCESS TO PUBLIC RECORDS** As a condition of accepting a contract for services under this section, a contractor must agree to treat all records, other than proprietary information, relating to personal services work performed under the contract as public records under the freedom of access laws to the same extent as if the work were performed directly by the department or agency. For the purposes of this subsection, "proprietary information" means information that is a trade secret or commercial or financial information, the disclosure of which would impair the competitive position of the contractor and would make available information not otherwise publicly available. Information relating to wages and benefits of the employees performing the personal services work under the contract and information concerning employee and contract oversight and accountability procedures and systems are not proprietary information. The Provider shall maintain all books, documents, payrolls, papers, accounting records and other evidence pertaining to this Agreement and make such materials available at its offices at all reasonable times during the period of this Agreement and for such subsequent period as specified under Maine Uniform Accounting and Auditing Practices for Community Agencies (MAAP) rules. The Provider shall allow inspection of pertinent documents by the Department or any authorized representative of the State of Maine or Federal Government, and shall furnish copies thereof, if requested. This subsection applies to contracts, contract extensions and contract amendments executed on or after October 1, 2009.

13. **TERMINATION** The performance of work under this Agreement may be terminated by the Department in whole or in part, whenever, for any reason the Agreement Administrator shall determine that such termination is in the best interests of the Department. Any such termination shall be effected by the delivery to the Provider of a Notice of Termination specifying the extent to which the performance of work under this Agreement is terminated, and the date on which such termination becomes effective. The Agreement shall be equitably adjusted to compensate for such termination and modified accordingly.

AGREEMENT TO PURCHASE SERVICES (BP54-IT)

Upon receipt of the Notice of Termination, the Provider shall:

1. Stop work under this Agreement on the date and to the extent specified in the Notice of Termination;
2. Take such action as may be necessary, or as the Agreement Administrator may direct, for the protection and preservation of the property, information, and data related to this Agreement, which is in the possession of the Provider, and in which the Department has, or may acquire, an interest;
3. Terminate all orders to the extent that they relate to the performance of the work terminated by the Notice of Termination;
4. Assign to the Department in the manner, and to the extent directed by the Agreement Administrator, all of the rights, titles, and interests of the Provider under the orders so terminated, in which case the Department shall have the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders;
5. With the approval of the Agreement Administrator, settle all outstanding liabilities and claims, arising out of such termination of orders, the cost of which would be reimbursable in whole or in part, in accordance with the provisions of this Agreement;
6. Transfer title to the Department (to the extent that title has not already been transferred) and deliver in the manner, at the times, and to the extent directed by the Agreement Administrator, equipment and products purchased pursuant to this Agreement, and all files, source code, data manuals, or other documentation, in any form, that relate to all the work completed, or in progress, prior to the Notice of Termination;
7. Complete the performance of such part of the work as shall not have been terminated by the Notice of Termination; and
8. Proceed immediately with the performance of the preceding obligations, notwithstanding any delay in determining or adjusting the amount of any compensation under this section.

Notwithstanding the above, nothing herein shall limit the right of the Department to pursue any other legal remedies against the Provider.

14. GOVERNMENTAL REQUIREMENTS The Provider shall comply with all applicable governmental ordinances, laws, and regulations.

15. GOVERNING LAW This Agreement shall be governed by, interpreted, and enforced in accordance with the laws, statutes, and regulations of the State of Maine, without regard to conflicts of law provisions. The provisions of the United Nations Convention on Contracts for the International Sale of Goods and of the Uniform Computer Information Transactions Act shall not apply to this Agreement. Any legal proceeding against the Department regarding this Agreement shall be brought in the State of Maine in a court of competent jurisdiction.

16. STATE HELD HARMLESS The Provider shall indemnify and hold harmless the Department and its officers, agents, and employees from and against any and all claims, liabilities, and costs, including reasonable attorney fees, for any or all injuries to persons or property or claims for money damages, including

AGREEMENT TO PURCHASE SERVICES (BP54-IT)

claims for violation of intellectual property rights, arising from the negligent acts or omissions of the Provider, its employees or agents, officers or Subcontractors in the performance of work under this Agreement; provided, however, the Provider shall not be liable for claims arising out of the negligent acts or omissions of the Department, or for actions taken in reasonable reliance on written instructions of the Department.

17. **LIMITATION OF LIABILITY** The Provider's liability to the Department, for damages sustained by the Department, as the result of Provider's default, or acts, or omissions, in the performance of work under this Agreement, whether such damages arise out of breach, negligence, misrepresentation, or otherwise, shall be the greater of any actual direct damages, up to the limits of the insurance required herein, or three times the value of the Product or Service that is the subject of this Agreement, up to a maximum of \$25,000,000, but not less than \$400,000.

For instance, if this Agreement is valued at \$15,000,000, then the Provider's liability is up to \$25,000,000. But if this Agreement is valued at \$100,000, then the Provider's liability is no greater than \$400,000.

Notwithstanding the above, Provider shall not be liable to the Department for any indirect or consequential damages not covered by any of the insurances required herein.

18. **NOTICE OF CLAIMS** The Provider shall give the Agreement Administrator immediate notice in writing of any legal action or suit filed related in any way to this Agreement, or which may affect the performance of duties under this Agreement, and prompt notice of any claim made against the Provider by any Subcontractor, which may result in litigation related in any way to this Agreement, or which may affect the performance of duties under this Agreement.

19. **APPROVAL** This Agreement must be approved by the State Controller and the State Purchases Review Committee before it can be considered a valid enforceable document.

20. **INSURANCE REQUIREMENTS** The Provider shall procure and maintain insurance against claims for injuries to persons, or damages to property, which may arise from, or in connection to, the fulfillment of this Agreement, by the Provider, its agents, representatives, employees, or Subcontractors. The insurance shall be secured by the Provider, at the Provider's expense, and maintained in force, at all times during the term of this Agreement, and, for any claims-made (as opposed to occurrence-based) policy(ies), for a period of not less than two (2) years thereafter.

1. **Minimum Coverage**

2. **Other Provisions** Unless explicitly waived by the Department, the insurance policies shall contain, or be endorsed to contain, the following provisions:

1. The Provider's insurance coverage shall be the primary and contributory. Any insurance or self-insurance maintained by the Department for its officers, agents, and employees shall be in excess of the Provider's insurance and shall not contribute to it.

AGREEMENT TO PURCHASE SERVICES (BP54-IT)

2. The Provider's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
 3. The Provider shall furnish the Department with certificates of insurance, and with those endorsements, if any, affecting coverage, required by these Insurance Requirements. The certificates and endorsements for each insurance policy are to be signed by a person authorized by the insurer to bind coverage on its behalf. All certificates and endorsements are to be received and approved by the Department before this Agreement commences. The Department reserves the right to require complete, certified copies of all required insurance policies at any time.
 4. All policies should contain a revised cancellation clause allowing thirty (30) days notice to the Department in the event of cancellation for any reason, including nonpayment.
 5. The Department will not grant the Provider, or any sub-contractor of the Provider, "Additional Insured" status and the Department will not grant any Provider a "Waiver of Subrogation".
21. **NON-APPROPRIATION** Notwithstanding any other provision of this Agreement, if the Department does not receive sufficient funds to pay for the work to be performed under this Agreement, if funds are de-appropriated, or if the State does not receive legal authority to expend funds from the Maine State Legislature or Maine courts, then the State is not obligated to make payment under this Agreement.
22. **SEVERABILITY** The invalidity or unenforceability of any particular provision, or part thereof, of this Agreement shall not affect the remainder of said provision, or any other provisions, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision or part thereof had been omitted.
23. **INTEGRATION** All terms of this Agreement are to be interpreted in such a way as to be consistent at all times with the terms of Rider B-IT (except for expressed exceptions to Rider B-IT included in Rider C), followed in precedence by Rider A, and any remaining Riders in alphabetical order.
24. **FORCE MAJEURE** Either party may be excused from the performance of an obligation under this Agreement in the event that performance of that obligation by a party is prevented by an act of God, act of war, riot, fire, explosion, flood, or other catastrophe, sabotage, severe shortage of fuel, power or raw materials, change in law, court order, national defense requirement, strike or labor dispute, provided that any such event, and the delay caused thereby, is beyond the control of, and could not reasonably be avoided by that party. Upon the occurrence of an event of force majeure, the time period for performance of the obligation excused under this section shall be extended by the period of the excused delay, together with a reasonable period, to reinstate compliance with the terms of this Agreement.
25. **SET-OFF RIGHTS** The State shall have all of its common law, equitable, and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any monies due to the Provider under this Agreement, up to any amounts due and owing to the State with regard to this Agreement, any other Agreement with any State department or agency, including any Agreement for a term commencing prior to the term of this Agreement, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Controller.

26. INTERPRETATION OF THE AGREEMENT

1. **Reliance on Policy Determinations** The Department shall determine all program policy. The Provider may, from time to time, request the Department to make policy determinations, or to issue operating guidelines required for the proper performance of this Agreement, and the Agreement Administrator shall respond in writing in a timely manner. The Provider shall be entitled to rely upon, and act in accordance with, such written policy determinations and operating guidelines, unless subsequently amended, modified, or changed in writing by the Department, and shall incur no liability in doing so unless the Provider acts negligently, maliciously, fraudulently, or in bad faith. Nothing contained in this Agreement, or in any agreement, determination, operating guideline, or other communication from the Department shall relieve the Provider of its obligation to keep itself informed of applicable State and Federal laws, regulations, policies, procedure, and guidelines, to be in complete compliance and conformity therewith.

2. **Titles Not Controlling** Titles of sections and paragraphs used in this Agreement are for the purpose of facilitating ease of reference only and shall not be construed to imply a contractual construction of the language.

PERIOD OF WORK Work under this Agreement shall begin no sooner than the date on which this Agreement has been fully executed by the parties and approved by the Controller and the State Purchases Review Committee. Unless terminated earlier, this Agreement shall expire on the date set out on the first page of this Agreement, or at the completion and acceptance of all specified tasks, and delivery of all contracted products and services as defined in this Agreement, including performance of any warranty and/or maintenance agreements, whichever is the later date.

28. NOTICES All notices under this Agreement shall be deemed duly given: 1) upon delivery, if delivered by hand against receipt, or 2) five (5) business days following posting, if sent by registered or certified mail, return receipt requested.
