In the event a MMCAP Member requires a fee be added to the Contract price (e.g., member levied procurement fee or system use fee), that fee must be added on top of the MMCAP-contracted pricing. Vendor may not absorb the fee. Vendor must not pay a MMCAP Member levied fee without first collecting the fee through increased product costs. The fees will be set aside and paid to the MMCAP Member as would be detailed in an MPA.

34.1. Covered contracts and Vendors. If the Contract exceeds \$100,000 and Vendor employed more than forty (40) full-time employees on a single working day during the previous twelve (12) months in Minnesota or in the state where it has its principal place of business, then Vendor must comply with the requirements of Minnesota Statutes Section 363A.36 and Minnesota Rules 5000.3400-5000.3600. If Vendor is covered by Minnesota Statutes Section 363A.36 because it employed more than 40 full-time employees in another state and does not have a certificate of compliance, it must certify that it is in compliance with federal affirmative action requirements.

34.2. Minnesota Statutes Section 363A.36. Minnesota Statutes Section 363A.36 requires Vendor to have an affirmative action plan for the employment of minority persons, women, and qualified disabled individuals approved by the Minnesota Commissioner of Human Rights ("Commissioner") as indicated by a certificate of compliance. The law addresses suspension or revocation of a certificate of compliance and contract consequences in that event. A contract awarded without a certificate of compliance may be voided.

34.3. Minnesota Rules 5000.3400-5000.3600

- **General. Minnesota Rules 5000.3400-5000.3600 implements Minnesota Statutes Section 363A.36**
These rules include, but are not limited to, criteria for contents, approval, and implementation of affirmative action plans; procedures for issuing certificates of compliance and criteria for determining Vendor's compliance status; procedures for addressing deficiencies, sanctions, and notice and hearing; annual compliance reports; procedures for compliance review; and contract consequences for non-compliance. The specific criteria for approval or rejection of an affirmative action plan are contained in various provisions of Minnesota Rules 5000.3400-5000.3600 including, but not limited to, Minnesota Rules 5000.3420-5000.3500 and 5000.3552-5000.3559.
- **Disabled Workers.** Vendor must comply with the following affirmative action requirements for disabled workers.
 - Vendor must not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. Vendor agrees to take affirmative action to employ, advance in employment, and otherwise treat qualified disabled persons without discrimination based upon their physical or mental disability in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
 - Vendor agrees to comply with the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
 - In the event of Vendor's noncompliance with the requirements of this article, actions for noncompliance may be taken in accordance with Minnesota Statutes Section

363A.36, and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.

- Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Commissioner. Such notices must state Vendor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.
- Vendor must notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that Vendor is bound by the terms of Minnesota Statutes Section 363A.36, of the Minnesota Human Rights Act and is committed to take affirmative action to employ and advance in employment physically and mentally disabled persons.
- **Consequences.** The consequences for Vendor's failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the Commissioner, refusal by the Commissioner to approve subsequent plans, and termination of all or part of this Contract by the Commissioner or the State of Minnesota.
- **Certification.** Vendor hereby certifies that it is in compliance with the requirements of Minnesota Statute Section 363A.36 and Minnesota Rules 5000.3400-5000.3600 and is aware of the consequences for noncompliance.

35. Cancellation. MMCAP or Vendor may cancel this Contract at any time, with or without cause, upon 60 days' Vendor written notice to the other party. In the event of such a cancellation, the Vendor will be entitled to payment, determined in a pro rata basis, for work or services satisfactorily performed or Products supplied through the Contract cancellation date.

36. E-Verify Certification (In accordance with Minn. Stat. §16C.075). If the response to this solicitation could be in excess of \$50,000, the resulting Contract with the State of Minnesota will require the vendor's compliance with the federal E-Verify program. Vendor certifies that it and all its subsidiaries and subcontractors have implemented the federal E-Verify program for all newly hired employees in the United States who will perform work under this Contract. All subsidiary and subcontractor certifications must be kept on file with Vendor and made available to MMCAP upon request.

37. Certification of Nondiscrimination (In accordance with Minn. Stat. § 16C.053).

The following term applies to any contract for which the value, including all extensions, is \$50,000 or more: Contractor certifies it does not engage in and has no present plans to engage in discrimination against Israel, or against persons or entities doing business in Israel, when making decisions related to the operation of Vendor's business. For purposes of this section, "discrimination" includes but is not limited to engaging in refusals to deal, terminating business activities, or other actions that are intended to limit commercial relations with Israel, or persons or entities doing business in Israel, when such actions are taken in a manner that in any way discriminates on the basis of nationality or national origin and is not based on a valid business reason.

38. Shareback Credits. In the event MMCAP determines that the Contract is able to provide shareback credits for eligible MMCAP Members, MMCAP will issue Vendor a ninety (90) day written notice prior to the shareback credit disbursement date. The provisions listed below will apply to the shareback credit process.

At no additional cost to the MMCAP Office, Vendor will manage the MMCAP annual shareback credit according to the schedule below:

- The MMCAP Office will provide Vendor with (i) an accurate list of MMCAP Participating Facilities receiving a credit, (ii) the Vendor account number, facility name, facility address, facility city, facility state, and the credit amount for each facility, and (iii) a check for the total amount of all credits to be provided.
- Vendor must apply the credit to all listed MMCAP Participating Facilities within fifteen (15) business days of the receipt of the funds and an accurate listing of the MMCAP Participating Facilities entitled to receive a credit.
- Within thirty (30) business days of the receipt of the funds, Vendor must provide to the MMCAP Office an Excel Spreadsheet detailing the credit memo information. This Excel listing must include the following fields: distribution center, account number, facility name, facility address, facility city, facility state, DEA, HIN, date of credit memo, credit memo number, and credit memo amount.
- Within sixty (60) business days of the receipt of the funds, Vendor will refund to the MMCAP Office any remaining dollars for which it was unable to issue credit; this may be for any MMCAP Participating Facilities that were determined to no longer be valid members or that were not able to be located for any variety of reasons. Vendor will work with the MMCAP Office to identify all MMCAP Participating Facilities to the best of its ability in an effort to issue all necessary credits before refunding dollars back to the MMCAP Office. Upon initiating the refund to the MMCAP Office, Vendor will provide a copy of the original Shareback Credit spreadsheet detailing the credit information (received from the MMCAP Office), the reason for non-application of funds, and the dollar amount of the funds being returned to the MMCAP Office.

39. Reporting Requirements. All reports indicated in this section must be available in an electronic Microsoft Excel file format and contain the required information fields set forth below. Vendor will work with the MMCAP Office during the transition and implementation period of this Contract to ensure the Vendor submits the required reports whose format and content are mutually agreeable to both parties. 39.1. Monthly Sales Data Usage Reports for the MMCAP Office. Vendor will supply to the MMCAP Office accurate monthly sales data on or before the 10th day of the subsequent calendar month (e.g., June's data will be due on July 10th). The report must include Product dollar spend amount sorted in descending order and grouped by Product category. Also, the report MUST include the information set forth below for every transaction between the Vendor and the MMCAP Member:

All required Administrative Fee Data Reports must be sent to: MN.MMCAP@state.mn.us on or before the 10th day of the second subsequent month (e.g., June's data will be due July 10th). Failure to comply with this provision may constitute breach of this Contract.
