Debarment, Performance, and Non-Collusion Certification

By signing this document I certify to the best of my knowledge and belief that the aforementioned organization, its principals, and any subcontractors named in this proposal:

- a. Are not presently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from bidding or working on contracts issued by any governmental agency.
- b. Have not within three years of submitting the proposal for this contract been convicted of or had a civil judgment rendered against them for:
 - i. fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a federal, state or local government transaction or contract.
 - ii. violating Federal or State antitrust statutes or committing embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - iii. are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or Local) with commission of any of the offenses enumerated in paragraph (b) of this certification; and
 - iv. have not within a three (3) year period preceding this proposal had one or more federal, state or local government transactions terminated for cause or default.
- c. Have not entered into a prior understanding, agreement, or connection with any corporation, firm, or person submitting a response for the same materials, supplies, equipment, or services and this proposal is in all respects fair and without collusion or fraud. The above mentioned entities understand and agree that collusive bidding is a violation of state and federal law and can result in fines, prison sentences, and civil damage awards.

- **Failure to provide this certification may result in the disqualification of the Bidder's proposal, at the discretion of the Department.**

To the best of my knowledge all information provided in the enclosed proposal, both programmatic and financial, is complete and accurate at the time of submission.

2016 Vehicle Fleet Bid

2016 BID INSTRUCTIONS

Requesting bids for vehicles, for the State of Maine Central Fleet Management, MaineDOT Fleet and State Police Fleet.

The State is seeking a two consecutive model year contract for this bid. The awarded vendor, by item number, will accept orders with additional options, based on current Chromes invoice pricing at the time of the MA being issued. Projected delivery dates may affect the award on this bid. The State reserves the right to order more or less (depending on funding) and re-order as needed until the end of the model year cutoff date as shown on your bid response. Projected delivery dates may affect the award on this bid. Please indicate which item numbers will be for two model years

It is understood that all specifications are minimums. Approved equals may be considered. The State of Maine reserves the right to accept or reject any and all bids that do not meet specifications and award however is in the State's best interest.

The State also reserves the right to consider alternates and determine equivalency.

* Additional cost for colors or other options may affect awarding of bids

Lead free wheel weights: to help reduce the negative impact on human health and the natural environment we require that all vehicles purchased on this order be delivered with lead free wheel weights.

I. State Purchasing of Safer Alternatives

The State of Maine shall continue its commitment to environmentally preferable procurement so as to purchase products and contract for services that have a reduced negative impact on human health and the natural environment in comparison to other products and services that serve similar purposes. To that end, the State shall carry on its efforts to seek ways to increase the acquisition of such products and services to the extent feasible, balancing price, performance, availability, and safety.

In carrying out this commitment, the Department of Administrative and Financial Services (DAFS), the Division of Purchases, and the Department of Transportation (DOT) in cooperation with other executive branch agencies, shall avoid products and services that contain, use or release chemicals that are PBTs or carcinogens whenever safer alternatives are available, effective and affordable.

.DELIVERY: THE STATE OF MAINE IS EXPECTING DELIVERY OF VEHICLES WITH MINIMUM MILEAGE AND MAY BE A FACTOR IN THE AWARD.

STATE OF MAINE MOTOR VEHICLE FORMS: Winning dealers must contact State of Maine Motor Vehicle Division and complete all required Motor Vehicle forms in order for us to register the vehicle(s). These forms need to be completed and submitted with the vehicle(s) upon delivery.

STATE OF MAINE INSPECTION STICKER: All vehicles delivered must have a current valid Maine State Inspection Sticker upon delivery.

GENERAL VEHICLE SPECIFICATIONS

Please read Bid Specifications carefully making sure to complete all requested information.

ALL VEHICLES MUST BE NEW 2017 or 2018 MODEL YEAR.

Please complete all check lists, **MUST LIST ALL FACTORY OPTION NUMBERS** for all items that are not standard equipment on base model bidding. A check mark will have the same meaning as standard equipment. Make note of all exceptions. Complete all parts as indicated giving unit price and making appropriate extensions. No factory installed equipment to be removed from vehicles.

All items that are dealer installed must be stated.

The following abbreviations may be used:

STD	Standard Equipment
N/A	Not Available
DI	Dealer Installed

Following these instructions is essential for proper bid evaluation. If a Bidder fails to provide requested information or if information on a quote is found to be false or misleading, the quote will be rejected as unresponsive. The award will be made on a best value basis to the vendor that either meets or most closely meets the specifications, while taking price and delivery into consideration.”

Standard colors will be selected after bid is awarded, unless otherwise noted.

The cost of adding specialty equipment could affect the awarding of all bids.

Vehicles that have an airbag switch or are capable of installing an airbag switch without cutting into the airbag circuit, may affect the awarding of all bids.

Life cycle costing will effect awarding of all bids. Evaluations on fuel economy will be based on published U.S. Dept. of Energy Fuel Economy Guide. Passenger vehicles-highway rating; Pick-ups, Sport Utility vehicles and Vans-city rating. Figures will be calculated over 100,000 miles. The State may accept a larger engine than specified as long as EPA gas ratings shows a cost savings over the life of the vehicle. Manufactures must provide the lowest emission rated vehicle available to the State of Maine.

Must be California certified (if applicable to vehicles being bid)

MERCURY CONTENT: Because of hazards posed to the environment, the State of Maine continues its efforts to phase out the purchase of all products manufactured with any components containing mercury. The State of Maine intends to purchase vehicles free of mercury such as, headlamps, convenience lighting switches and any other component. Best value consideration to be applied.

Wherever full size spare is requested, tire and rim must match the standard tires provided with the vehicle (if available OEM). Style wheels with OEM spare tire will be accepted.

The State may accept vehicles without engine oil coolers if manufacturer does not offer this option.

Radio interference suppression measures and devices shall be incorporated into all vehicles so that interference generated does not exceed the limits established in SAE Standard J-551 and military standards.

Withdrawal of an item from your bid may take place any time BEFORE the bid is awarded, without penalty. That is to say, if you discover a pricing error or some other technical or specification discrepancy in your bid and wish to withdraw that item, you may do so by submitting your request in writing. This request may be faxed to (207) 624-5086, attention TERRY L. DEMERCHANT.

If pricing errors, etc. are present after the bid has been awarded, the Director of Purchases will make the final decision. All decisions regarding specifications will be made by the Director.
