

Vacancy Rates - Legislative Count and FTE Count Positions
as of March 1, 2023
Excludes Legislative and Judicial Branches

Vacancy Notes:

Vacancy data is a point in time and changes on a daily basis.

Seasonality impact vacancies - for example, it is to be expected many Parks positions within the Department of Agriculture, Conservation and Forestry are currently vacant.

The counts here vary from the Legislative Headcount and FTE Count reflected in the budget document. For example, two part-time positions with 0.5 Legislative Headcount would be reflected as 1.0 in the budget document. This analysis counts those as individual positions and vacancies.
