

# MAINE.

ECONOMIC & COMMUNITY  
DEVELOPMENT

## Business Recovery and Resilience Fund Grant Program

### Round 2

### Additional Funding Consideration Form

December 2024

Prepared by the Maine Department of Economic & Community Development

**This form is for businesses who previously received a BRRF grant award but who may be eligible for additional funding. Applicants who may be eligible for additional funding include those whose damages and cost estimates exceeded the grant cap of \$100,000 or applicants who have enough documentation to support an additional grant award, beyond what was originally requested.**

**Note – the minimum award for this category is \$10,000.00 and applicants must maintain the 50% match.**

Please fill out the form below. In completing this information, you acknowledge that all receipts and invoices are due at the time of submission (with a spreadsheet summary). Your application may be awarded additional funds, if there are funds remaining after we fund businesses that previously did not receive an award. There will not be an option for submitting additional supporting documents after the grant program deadline, unless requested by the Department. Late submissions of receipts, documentation, cost estimates, etc. will not be accepted.
