J. Multi-Jurisdictional Applications

A multi-jurisdictional application is one submitted from two or more communities joining together to create a single CE program to meet shared problems in the respective communities.

K. Application Process

The selection process for the CE Program consists of two phases - an Application Phase and a Project Development Phase.

1. Competitive Application

The application must provide a narrative description of the Impact, Development Strategy, and Citizen Participation relating to downtown revitalization activities proposed in the application.

The applicant must complete the Application form and may only attach additional information if specifically requested. Please remember to answer briefly and as completely as possible within the allotted space. The focus of the review is to assess the readiness, feasibility, LMI impact, health and safety issues, and need for funding from the basic facts of the situation and proposed solution. Reviewing and scoring of applications will begin following the application deadline of April 10, 2020. Each application will be rated on its own merit and in relation to all other applications. Successful communities will be invited into the project development phase.

2. Project Development

An invitation into the Project Development Phase reserves funds for the project. Program funding is contingent upon the Office of Community Development's (OCD) receipt of funds from HUD and successful completion of Project Development criteria. All aspects of the Project Development Phase must be completed prior to the execution of a contract with OCD and include:

- 1) environmental review;
- 2) cost analysis and justification;
- 3) non CDBG project funds commitments;
- 5) management plan development; and
- 6) specific state and federal requirements.

The emphasis during the Project Development Phase is on development of the best project to meet the community's CE needs. A Development Program Manager will be assigned to work with each community to assist in the finalization of their project. **Applicants have six months to complete the project development phase process or notice of award may be rescinded.**

3. Project Implementation

Following contract execution, the community will be awarded CE funds and will begin to implement their project.
