Public Infrastructure

A STEP-BY-STEP GUIDE FOR SUCCESSFUL APPLICATION SUBMISSION

1. Read the entire Application Package carefully! Be sure to follow instructions on Page 3 as to due date, number of copies submitted, font size, and paper size, margins, packaging requirements and maximum length allowed for your Required Responses section. For additional information on all CDBG programs consult the 2020 CDBG Program Statement available on the OCD web site.
2. Please take note that eligible applicants for PI funding are limited to those communities receiving prior written OCD approval of their Letter of Intent to Apply. Applicants submitting a PI application without OCD approval of their Letter of Intent will have the application returned unscored.
3. Choose the proper Public Infrastructure activity group listed on Page 13 that matches your proposed project.
4. Complete the Application Cover Sheet on Pages 10-12. The Cover Sheet contains places for signatures and lists specific state and federal regulations that applicants certify they will follow if awarded CDBG funds. Make sure all required signatures are obtained. At a minimum, each applicant will need the signature of their Chief Executive Officer (CEO). In addition, signatures are required from each CEO for multi-jurisdictional Applications. Projects in support of utility districts also require the signatures of those group's executive officers.
5. Complete the Activity Designation Sheet on Page 13. This sheet will list project activities, identify if the project is multi-jurisdictional, indicate contaminants for water projects and determine if proposed projects are in compliance with PL 776 relating to Growth-Related Capital Investments.
6. Complete the Application and Required Response section beginning on Page 16. Be sure to include required information for the applicant as well as utility districts. *(Use only the three pages allotted for the Required Responses – you decide how much to use for each response area. Provide attachments only if they are specifically asked for.)*
7. Complete the Matching Funds Table on Page 19 and attach letters of commitment for each funding source claimed on the table.
8. Complete the Budget Summary on Page 20. Directions for completion are included with the form.
9. Attach documentation of local public hearing to the Application. This must be in compliance with the requirements set forth on Page 6. *Please REMEMBER all public hearing notices must comply with the Title VI requirements set forth in the sample notice contained on page 21 of this application package. Any applicant submitting a non-compliant public hearing notice will have FIVE POINTS deducted from their final application score.*
10. Package your Application exactly in the order specified on Page 5 and be sure to submit 1 original and FOUR (4) copies that meet the requirements contained on Page 3. *Do not include binders, report covers, or folders, as they will be discarded prior to scoring.*
11. Use the Application Checklist & Packaging Requirements on Page 5 as a tool to make sure your Application will be complete and ready for OCD review.
12. *Remember! The Application due date is 4:00 pm Friday, March 27, 2020.*

APPLICATION CHECKLIST & PACKAGING REQUIREMENTS

Use this to make sure your Application contains all required submissions and is packaged in the proper order!

A complete original application consists of the following items packaged in this exact order. The four copies minus the Cover Sheet and Project Information Sheet must also be packaged in the same order starting with the Required Responses.

- Cover Sheet with original signature;**
- Activity Designation Sheet;**
- Application Page;**
- Responses to the Impact, Development Strategy, and Citizen Participation sections. (You may only use the three pages provided.);**
- Matching Funds Table with attached letters of commitment;**
- Budget Summary;**
- Public hearing record including the published public hearing notice, attested hearing minutes and attendance list – The Public Hearing Notice must comply with sample notice contained on page 21 of this application package**
- Mandatory professionally prepared engineering and/or health/safety report documenting conditions which warrant the project; and**
- Mandatory engineering design report and cost estimates.**

Incomplete packages or applications for projects not demonstrating a firm financial commitment as required in the application materials will be removed from the scoring process during the threshold review.

SECTION I - PUBLIC INFRASTRUCTURE GRANT APPLICATION OVERVIEW

A. Introduction

The Public Infrastructure Grant Program (PI) provides communities with grant funds to help meet their identified public infrastructure needs in one of three activity groups. Multi-jurisdictional applications from two or more communities must designate a lead community. Counties may apply on behalf of unorganized territories.

B. Letter of Intent as PI Application Eligibility Requirement

Eligible applicants for PI funding are limited to those communities receiving prior written OCD approval of their Letter of Intent to Apply. Applicants submitting a PI application without OCD approval of their Letter of Intent will have the application returned un-scored.

C. Public Hearing Requirements

Each applicant is required to hold a duly authorized public hearing during the Application process with a minimum of 10 days prior notice. The hearing must be advertised in local newspapers and posted according to local requirements. The published notice must meet the Title VI requirements set forth in the sample notice contained on Page 21 of this application package. **Any applicant submitting a non-compliant public hearing notice will have five points deducted from their final application score.** Applicants must attach a copy of the published hearing notice, attested copy of the minutes and attendance list to the original and all four copies of the Application.

D. Matching Funds Requirements

Communities applying for PI funds must demonstrate they will provide a direct cash match of **at least 25% of the total CDBG grant award.** This must be reflected on the Matching Funds Table contained on Page 19 of this Application Package. Firm letters of commitment for all cash matching funds must be attached to the table.

E. Financial Commitments as a Threshold Requirement:

Applications for projects not demonstrating a firm financial commitment as required in the application materials will be removed from the scoring process during the threshold review.

F. Applicant Prohibitions

Units of local government may not apply for more than one PI program per grant year. Communities participating in multi-jurisdictional PI applications may submit their own PI as long as they demonstrate that there will not be a duplication of program activity/benefit. Units of local government and unorganized territories that benefited from a 2019 PI may not apply for a 2020 PI except as stipulated under Section 1 (H) (1) of the 2020 Program Statement. In addition, all PI applicants must meet the past performance criteria contained in the 2020 Program Statement on page 8, Section 1 (G) (9). Eligible units of general local government as defined above may apply for CDBG assistance on behalf of the five Maine Indian Tribes. Maine Indian Tribes are not themselves eligible applicants.

G. Multi-Jurisdictional Applications

A multi-jurisdictional application is one submitted from two or more communities joining together to create a single PI program to meet shared problems in the respective communities.

H. Application Process

The selection process for the PI Program consists of two phases - an Application Phase and a Project Development Phase.

1. Competitive Application

The application must provide a narrative description of the Impact, Development Strategy, and Citizen Participation relating to public infrastructure activity proposed in the application.

The applicant must complete the Application form and may only attach additional information if specifically requested. Please remember to answer briefly and as completely as possible within the allotted space. The focus of the review is to assess the readiness, feasibility, LMI impact, health and safety issues and need for funding from the basic facts of the situation and proposed solution. PI Program applicants who are “service center or specialized center communities,” as identified by the Maine State Planning Office, or proposing to complete activities supporting the revitalization of downtown areas, will be given priority during the review process. Specific Application requirements of each activity group listed in this document must be strictly followed. Reviewing and scoring of applications will begin following the application deadline of March 30, 2020. Each application will be rated on its own merit and in relation to all other applications. After the scoring process is completed, successful communities will be invited into the project development phase.

2. Project Development

An invitation into the Project Development Phase reserves funds for the project. Program funding is contingent upon the Office of Community Development’s (OCD) receipt of funds from HUD and successful completion of Project Development criteria. All aspects of the Project Development Phase must be completed prior to the execution of a contract with OCD and include:

- 1) environmental review;
- 2) cost analysis and justification;
- 3) non CDBG project funds commitments;
- 4) management plan development; and
- 5) specific state and federal requirements.

The emphasis during the Project Development Phase is on development of the best project to meet the community's PI needs. A Development Program Manager will be assigned to work with each community to assist in the finalization of their project. **Applicants have six months to complete the project development phase process or notice of award may be rescinded.**

3. Project Implementation

Following contract execution, the community will be awarded PI funds and will begin to implement their project. The Development Program Manager will remain involved with the community throughout project implementation providing technical assistance and to monitor for compliance with federal and state regulations.

SECTION II - PUBLIC INFRASTRUCTURE GRANT APPLICATION INSTRUCTIONS AND SCORING CRITERIA

A. Introduction

Communities must provide a narrative description of the Impact, Development Strategy, and Citizen Participation relating to the public infrastructure activity proposed in the application. Scoring criteria for Impact, Development Strategy, and Citizen Participation are described below. Each application will be rated in relation to all others in a **three-stage process** described in Sections D – E below.

There is no minimum score required for an application to be considered for funding. The maximum length of an application, excluding the cover sheet, activity designation sheet, matching funds table, letters of commitment, budget page and public hearing documentation is **limited to the three pages allowed in the Required Responses section**. *Please refer to Page 6 of this application package for required packaging instructions.*

All Non-conforming applications will be returned unscored.

B. Cover Sheet

On Page 11 in this Application Package is the Public Infrastructure Grant Program Cover Sheet. The Cover Sheet consists of three sections:

1. Applicant Identification

Community's name, address, Chief Executive Officer (CEO), contact person, and phone numbers. The Cover Sheet must be completed, signed, and attached to the front of the application. The Chief Executive Officer of the applicant or the County Commissioner on behalf of unorganized territories must sign the Cover Sheet.

In multi-jurisdictional applications, one unit of local government must be identified as the lead applicant. Signature of the Chief Executive Officer of **each other participating unit** of general local government signifies approval for the lead applicant to apply on its behalf.

2. State Certifications

List of State Certifications that applicants agree to follow if they are awarded Public Infrastructure Program funds.

3. Federal Certifications

List of Federal Certifications that communities agree to follow if they are awarded Public Infrastructure Program funds.

C. Activity Designation Sheet

An Activity Designation Sheet is included on Page 13 of this Application Package. Applicants must complete the sheet, declaring if the application is multi-jurisdictional or not, checking the activity group applied for and indicating compliance with the Growth-Related Capital Investment (PL 776) Law.

D. Review Team Analysis

Members of the OCD Review Team will assign a Review Point Total for each application reviewed. Review Point Totals will consist of the sum of the three scoring areas below and be determined by the total of each sub-scoring area. A maximum of 100 points is obtainable.

1. Impact (40 points) describes the community problems or needs the applicant wishes to address with PI assistance. The following rating criteria will be used:

- A description of why the project is necessary, previous efforts to address needs, and how the project was prioritized locally – 6 points
- What engineering firms and/or regulatory agencies have verified the infrastructure problems, and what studies and testing have been done that corroborate the need – 6 points
- How the verified health, safety and welfare conditions affect users and others in the community– 8 points
- Size and demographic makeup of user base and target area of projected infrastructure project – 10 points
- Why PI funds are necessary to fill a funding gap, what other state and/or federal agency funding is involved, capacity of the utility or town to borrow, and how match funds will work with PI funds to implement the project – 10 points

2. Development Strategy (40 points) presents solutions to the problems identified in the Impact section. The following rating criteria will be used:

- A description of the proposed infrastructure improvements, including size, capacity, design, utilities and fit with existing systems – 10 points
- Positive impacts on health, safety and welfare of users directly attributable to proposed PI expenditures – 5 points
- Extent of financial benefits to users; list current user rates, what rates will be if PI funding is approved, and list what user rates will be if the project is built without PI funding. – 15 points
- Project timeline: list tasks necessary to begin implementation. Identify work already completed, such as engineering, design and final commitment of other funds. Identify when remaining tasks will be completed. Estimate a project completion date and describe why project timeline is feasible – 10 points

3. Citizen Participation (20 points) describes how citizens, community groups and project beneficiaries participated in identifying the problems and solutions included in this application. **(Note: you must also submit a public hearing record consisting of the Title VI compliant published public hearing notice, hearing minutes, and attendance list with the original and all four copies of the application.)** The following rating criteria will be used:

- How overall citizen participation process directly relates to identification of solution strategies and application development - 4 points
- Effective use of any media (newspapers, radio, TV, etc.) to further public awareness and participation – 4 points
- Relevance of listed meeting/hearing activities/comments (not counting required public hearing) on application and project development – 4 points
- Involvement of potential LMI project beneficiaries in to the application development and citizen participation process – 4 points
- How other local resources (cash and in-kind) are directly related to the project and the establishment of a cash value equivalent for all in-kind commitments – 4 points

E. Final Application Score

Applications will be awarded funding based on the consensus of the review team. There is no minimum Final Application Score required for an application to be considered for funding.
