G. GENERAL REQUIREMENTS:

1. Eligible Applicants: All units of general local government in Maine, including plantations, except for the entitlement communities of Auburn, Bangor, Biddeford, Lewiston, Portland and all of Cumberland County with the exception of Brunswick and Frye Island are eligible to apply for and receive State CDBG program funds. County governments may apply on behalf of the Unorganized Territory. Groups of local governments may apply for multi-jurisdictional or joint projects. Multi-jurisdictional applications require designation of one local government as the lead applicant and consent for that designation by each participating local government. Counties may apply for the Public Service program on behalf of a collaboration of communities. **Eligible applicants, including counties as defined above may apply for CDBG assistance on behalf of the five Maine Indian Tribes. Maine Indian Tribes are not themselves eligible applicants.** Eligible applicants applying on behalf of a Maine Indian Tribe are

permitted to apply in the same 2024 CDBG funding category only if the eligible applicant will not directly benefit from the tribal CDBG project.

2. Eligible Activities: Applications will be reviewed to determine that the activities proposed are eligible under Section 105(a) of the Act. Ineligible activities will not be considered.

3. Project Benefit: Letters of Intent and/or required documentation for all programs will be reviewed to verify that the proposed activities meet at least one of the CDBG Program national objectives pursuant to section 104(b) 3 of the Act. If the activity does not meet a national objective the application will not be considered for funding.

4. “Growth Related” Preference: In accordance with M.R.S.A Title 30-A section 4349-A (3-A), OCD is required to give preference in the award of grants to capital investments defined as “growth related” in section 4301(5-B) to communities with certified growth management programs or that have adopted a comprehensive plan and implementation strategy consistent with the goals and guidelines of the subchapter. A municipality that does not obtain a certificate or finding of consistency within 4 years after receipt of the first installment of a financial assistance grant or rejection of an offer of financial assistance will receive a low priority.

5. Repayment of Grant Funds: Recipients must repay on demand to the State of Maine all funds expended if CDBG program benefits are not achieved as specified in their contract with the DECD.

6. Application Threshold: Incomplete and/or non-conforming applications which do not meet the specifications set forth in the 2024 Program Statement and 2024 CDBG Application Packages will be removed from the scoring process during the threshold review.

7. Financial Commitments: Applications for projects not demonstrating a firm financial commitment as required in the application materials will be removed from the scoring process during the threshold review.

8. Restriction of Grant Awards: OCD may deny or restrict the award of grants to communities with outstanding audit(s), monitoring findings, or a record of administrative misconduct.

9. Past Performance: In order to be eligible to apply for a 2024 Community Development Block Grant program, communities that received CDBG grants in prior years must be in good standing with the Office of Community Development. All Past Performance Criteria will be strictly enforced; however, these criteria may be waived for just cause by the Director of OCD.

10. Grant Termination: OCD may terminate a community’s grant if progress on the project is not apparent within 6 months from the date of contract signing. The Office of Community Development may grant waivers for just cause.

H. EXCLUSIONS:

1. Multiple Grants: Eligible applicants may not apply for, or benefit from, more than one grant per program category in any grant year. Communities participating in multi-jurisdictional applications may submit their own applications for the same program as long as they demonstrate that there will not be a duplication of program activity/benefit.

2. Housing Assistance Grant Program: Communities are not eligible to apply for a HA grant unless they have an identified project with a developer approved by OCD. Single family rehabilitation is not an eligible project.

I. AWARD PROCESS:

K. RURAL HOUSING PRESERVATION PROGRAM

The State of Maine has over 8,000 units of federally assisted housing at risk from a series of dynamics including expiring restrictions, maturing mortgages, aging owners and subsequent conversion to market rate. These affordable projects are primarily in small rural Maine towns and may be the only affordable and/or rental housing in the community. The loss to the communities is staggering when compared to new construction costs and volatile demand from the private market. Preservation of the existing federal assistance is crucial to stable housing conditions in Maine's rural communities. Due to complex regulation and restrictions there is a gap in funding the successful transfers of these assets to new owners and protecting the most valuable segment - the affordable rental unit for local Maine residents. The RHP Program will provide an additional grant resource which will serve as the missing piece to solving the gaps and challenges found in many of these transactions.

1. Threshold Criteria: RHP Program funds will be distributed through a set aside of CDBG funds provided to the City of Presque Isle as the lead community. The lead community will establish a legally binding contract with the Genesis Fund, a statewide Community Development Financial Institution, to provide funds for the preservation and rehabilitation of multifamily rental properties in rural Maine communities for the benefit of low-income households. The Genesis Fund is actively and intricately involved in this work on policy, on technical assistance and on financing the solutions. A seasoned administrator of CDBG funds, the Genesis Fund has a demonstrated track record of successfully implementing this resource for the direct benefit to low income households.

2. Eligible activities: Funds will be used for property acquisitions; to reduce debt financing burdens on the protected unit rents; to cover transaction and soft costs to accomplish the transfers; and for closing charges.

3. Maximum RHP Grant Amount: \$1,000,000. Allocations to each rural multifamily property will be determined by the Genesis Fund. RHP funds will be used to fill gaps in project financing.

4. Matching Funds: The Genesis Fund will bring together capital resources and technical assistance to facilitate the transfer of rural multifamily properties to new owners. These resources include a new State Housing Tax credit, a dedicated set aside in the Maine QAP of LIHTC for preservation of rural federally assisted housing, and a dedicated loan fund at Genesis for preservation supported by Federal Home Loan Bank of Boston. These and other resources will adequately supply matching funds RHP Program.

5. Maximum Administrative Costs: The RHP Program allows expenditures for general and rehabilitation administration. The total general and rehabilitation expenditures will not exceed 15% of the grant amount. The City of Presque Isle is allowed a maximum of \$3,000 in general administrative funding.

6. Property Standards: All rehabilitation activities completed with this Program will comply with federal, state and local building codes and requirements and will meet any applicable federal agency property standards.

L. Maine YMCA Alliance Childcare Program

Aroostook County will be the recipient of CDBG funds and will contract with the YMCA Alliance of Northern New England to provide childcare scholarships to income eligible households statewide.

The YMCA Alliance of Northern New England supports collaboration amongst Maine's 15 Ys and community partners. Due to its unparalleled reach, the Y is a powerful advocate for communities and is familiar with the needs of the children, families, and individuals throughout the region.

Collectively, the 15 YMCAs are the largest provider of early education and before/after school programming in the state. Annually they serve over 3,700 young children in their early education programs, over 7,300 children in the before and after school programs, and summer day and overnight camps. These childcare programs provide a safe environment for children and peace of mind for working families.

Statement of Need

Prior to the COVID-19 pandemic, Maine was already experiencing a critical shortage of childcare options for families, and the childcare system was showing worrying signs of vulnerability, including program closures and workforce shortages. The resulting fallout from the pandemic is laying bare and exacerbating these weaknesses, while also highlighting in new ways how vital safe, quality childcare is for families and our economy. It is clearer than ever that the early childhood education and school-aged childcare sectors are important building blocks of a healthy economy and deserving of public investment.

Low and moderate income (LMI) families are particularly vulnerable to the disruptions caused by the pandemic and in critical need of additional support to ensure safe and quality care for their children. More resourced families may have more options, which could include a parent reducing work hours or leaving the workforce or paying for additional hours of care; these are simply not options for many LMI families. CDBG funding support will be critical to help fill these gaps; many families cannot afford to cover the increased costs of care, and providers cannot operate indefinitely while incurring significant losses.

SECTION 3. ECONOMIC DEVELOPMENT PROGRAMS

A. ECONOMIC DEVELOPMENT

The Economic Development program (EDP) provides communities with **gap** funding to assist identified businesses in the creation/retention of jobs for low-and moderate-income persons. Please refer to Page 5 of this document for Program deadlines and due dates.

1. Eligible Activities:	<u>Maximum Award</u>
a) Grants to Municipalities for Direct Business Support: working capital and capital equipment purchase Acquisition and any type of construction is not an allowable activity.	\$100,000*

2. Exclusions:

- Communities may **not** apply on behalf of a business that has received prior CDBG EDP funding.
- **Waivers to increase the maximum grant award amount, in instances where the impact of the project is substantial and can be documented, both through project investment and job creation, must be approved by the Director of the Office of Community Development.**

3. Project Benefit: All projects must document that at a minimum, 51% of all jobs created or retained as a result of the funded activity must be taken/held by persons of low and moderate income as defined by HUD. Jobs created/retained must be in the community applying for the EDP award, new jobs to that community and not associated with any other branches of the assisted business located in another community. Transfer positions cannot be counted toward the job creation/retention requirements. **In the event that job creation requirements are not met, the applicant community will be responsible for immediate repayment to DECD of all CDBG funds expended on the project.**

4. Program Dollars per Job: The maximum CDBG participation per job created or retained with EDP funds is \$30,000.

5. Full Time permanent Jobs: In determining CDBG National Objective compliance with jobs created or retained only **Permanent** jobs may be counted; temporary jobs may not. Full time jobs require a worker to work at least 1750 hours per year. Part time jobs require a worker to work at least 875 hours but less than 1750 hours per year. Part-time jobs **must** be converted to Full Time Equivalent (FTE). An FTE is defined as two part time jobs. **Seasonal** jobs may count only if the seasonal job lasts long enough and provides sufficient income to be considered the employee's principal occupation. (Contact OCD prior to counting seasonal jobs towards LMI benefit.) **All** permanent jobs created by the project must be counted, regardless of funding source(s). Jobs indirectly created by the project (i.e., remote location, "trickle down" jobs) do not count.

6. Program Requirements:

(a) EDP Letter of Intent Due Dates:

All communities wishing to submit an EDP application must submit a Letter of Intent. Please refer to Page 5 of this document for Program deadlines and due dates. After review for completeness and eligibility, units of general local governments may be invited to make a full application.

(c) Necessary and Appropriate: EDP assistance to a business must be for projects that are necessary and appropriate. The application must describe the need for program assistance stating why the project cannot proceed without program participation, that program funds will provide the necessary gap financing, reasonableness of the amount requested, and assurance that the assistance provided is commensurate with the community benefits that will accrue from the project.

(d) Compliance with Benefit Certification Requirements: The business and the applicant community, under the direction of the Program Manager assigned to the project, must comply with documentation requirements for jobs created/jobs retained on a project including but not limited to benefit surveys, income verification and periodic reporting that the Office of Community Development may require.

(e) EDP Projects in Support of Retail Businesses: OCD may accept an EDP application in support of a retail business activity only under the following limited conditions:

- The retail business represents the provisions of new products and services previously unavailable in the community or is a tourism-related business; and
- The development or expansion of the retail business represents a net economic gain for the community and the region. Applications supporting a retail business or businesses are required to certify that the development represents a new overall gain for the region's economy and not a shift from existing established businesses to a new or expanded one; and
- The retail business is located in either a downtown district meeting the definition in 30-A M.R.S. Section 4301 (5-A); or a designated local growth area contained in an adopted and consistent comprehensive plan; and
- At least 50% of the jobs created by the retail business must be full time jobs.

7. Selection Process: The selection process will consist of two stages. Members of the Review Team will assign a Review Point Total for each application reviewed. Review Point Totals will consist of the sum of the three scoring areas below and any applicable bonus points. The following criteria will be used:
