

RESTARTING MAINE'S ECONOMY

COVID19 Prevention Checklist Industry Guidance

As the number of COVID-19 cases begins to decrease, the State of Maine is adopting a staged approach, supported by science, public health expertise and industry collaboration, to allow Maine businesses to safely open when the time is right.

This is one of many industry guidance documents for business that the State is preparing for businesses so they can be prepared to meet health guidelines and reopen safely. Please make sure you pair this document with the general guidance document that applies to all industries, which is available on maine.gov/DECD.

Please note: This document may be updated as additional information and resources become available.

Phase 1: Golf and Disc Golf Courses *Released April 29, 2020*

Personal Protective Gear, Supplies, and Clothing

- Require employees and customers to wear face coverings when indoors or when unable to maintain physical distancing.
- Provide gloves to employees for cleaning and disinfecting high-touch surfaces and items used by customers.
- Provide workers with up-to-date COVID information and training on safe donning, doffing, and disposal of personal protective equipment such as gloves and face coverings.

Golfers and Facility Practices

- Only the golf course itself will remain open. Close off the entire clubhouse, including the Pro Shop, restaurant, and driving range. No food and drink service.
- People can only play golf in the county they live in.
- Out-of-state golfers will not play on Maine golf courses until the Executive Order requiring a 14 day quarantine for out-of-state visitors is lifted by the State.
- Inform your customers of your COVID policies and procedures in advance, if possible.

- Encourage golfers to pay in advance over the phone with a credit card, or book online, show up to a pre-positioned sanitized cart, and proceed to the first tee without personal contact.
- Use posters and signage to remind customers of physical distancing at entrance and updated rules for play.
- Support physical distance between customer and service staff by taping off 6 feet distance from counter.
- Minimize foot traffic and limit number of customers inside common areas. Keep clubhouses closed for Phase 1.
