

Agreed Upon Collaboration Guardrails:

- ✓ Clear connection to some area of plan
- ✓ Collaboration of two or more organizations, entities
- ✓ Willing to adjust in collaboration with others working on the implementation (not re-creating wheel but building potential hub-and-spoke connections)
- ✓ Clear path of collaborative action
- ✓ Data supports approach is value-added
- ✓ Agree to share metrics with Implementation team, including collaborations metrics for tracking progress in efforts of diversity, inclusion, and equity
