

SECTION 3 BUSINESS REGISTRY

All HUD-assisted public housing activities and all HUD-assisted construction activities by other recipients receiving over \$200,000 in HUD funding are covered by the requirements of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and HUD's regulations at 24 CFR part 135.

The Section 3 Business Registry will be used by Public Housing Authorities (PHA's); State, County, and local government agencies; property owners; developers; contractors; and others as a resource for finding local Section 3 Businesses to be notified about HUD-funded contracting opportunities.

The Section 3 Business Registry is a listing of businesses that have self-certified that they meet one of the eligibility criteria of a Section 3 business, and have submitted publicly available information about their firm (i.e. business name, address, type of services provided, etc.) to be included in HUD's online database.
