APPLICATION INFORMATION GUIDE

- **Verification of Licensure Form:** The Board requires that you submit verification of licensure for any professional license ever held, i.e. expired, inactive, retired, etc. from any licensing authority as part of the application materials. **Note:** This form is required only if you have obtained licensure in another state or jurisdiction since you filed for RDH licensure in Maine.

- **Certificate of Education Form:** The Board requires that your dental therapy education be verified by the educational institution and submitted directly to the Board. **Note:** if the educational form and/or educational transcript is already on file with the Board, then please indicate on the application form.

- **Mandated Reporter Requirements:** Maine law requires that dentists and dental hygienists immediately report or cause a report to be made to the Maine Department of Health and Human Services (DHHS) when the licensee knows or has reasonable cause to suspect that a child or adult has been or is likely to be abused or neglected or that a suspicious death has occurred. Mandated Reporter Training and additional information regarding mandated reporting can be found at: https://www.maine.gov/dental/

- **Maine’s Medical Professionals Health Program (MPHP):** The MPHP works cooperatively with six Maine boards of licensure, hospitals, medical staffs, and professional associations to ensure that professionals in need of treatment and services get the help they need. The MPHP is not a treatment program, but their staff will help professionals to find the resources they need, to better understand the treatment and recovery process, and to implement strategies for return to safe practice. https://www.mainemphp.org/

- **10 Day Reporting Requirement:** Please be advised, pursuant to 32 MRS §18352, licensees and applicants are to report to the Office, in writing, any change of name or address on file with the Office, any criminal conviction, any revocation, suspension or other disciplinary action taken in this or any other jurisdiction against any occupational or professional license held, or any material change set forth in this application within ten (10) days:

- **Please submit your application materials to the Board by USPS mail.** **Faxed or emailed submissions will not be accepted.** Your application will be reviewed and processed in the order that it was received. Application reviews generally take at least two weeks. However, if the application is incomplete or the application requires a review by the Board at a scheduled meeting, then application review process may take longer.

- **Pursuant to M.R.S. Chapter 143 §18341 (3),** An applicant has 90 days after being notified of the materials needed to complete the application to submit those materials to the board. You will be notified by mail if there are deficiencies with your application. You may also check the Board’s website at www.maine.gov/dental. It is the responsibility of the applicant to see that all documentation is completed and returned to the Board for consideration. Failure to complete the application within that 90-day period may result in a denial of the application.
DENTAL THERAPY AUTHORITY

Pursuant to 32 M.R.S. § 18302 sub-§ 7, a “dental therapist” means a person who is licensed as a dental hygienist and holds a valid authority issued by the Board to practice dental therapy.

Scope of practice pursuant to 32 M.R.S. § 18377 sub-§1: a dental therapist may perform the following procedures in limited settings, if authorized by a written practice agreement with a dentist licensed in this state:

To the extent permitted in a written practice agreement, a dental therapist may provide the care and services listed in this paragraph only under the direct supervision of the supervising dentist:

- Perform oral health assessments, pulpal disease assessments for primary and young teeth, simple cavity preparations and restorations and simple extractions;
- Prepare and place stainless steel crowns and aesthetic anterior crowns for primary incisors and prepare, place and remove space maintainers;
- Provide referrals;
- Administer local anesthesia and nitrous oxide analgesia;
- Perform preventive services;
- Conduct urgent management of dental trauma, perform suturing, extract primary teeth and perform nonsurgical extractions of periodontally diseased permanent teeth if authorized in advance by the supervising dentist;
- Provide, dispense and administer anti-inflammatories, nonprescription analgesics, antimicrobials, antibiotics and anticaries materials;
- Administer radiographs;
- Perform other related services and functions authorized by the supervising dentist and for which the dental therapist is trained; and
- Provide the care and services listed under a dental hygienist’s scope of practice while under the supervision of a dentist.

STANDARD APPLICATION

Pursuant to Board Rules, Chapter 2 – the application materials shall include:

- Completed and signed Application (pgs. 1-16)
- Payment of fees: application fee $50.00; practice authority fee $50.00 ($100.00)
- An active dental hygiene license in Maine
- Verification of a master’s degree in dental therapy (if not already on file with the Board)
- Verification of 2,000 hours of supervised clinical practice. (Note: hours must be earned either as a provisional dental therapist or advanced dental therapy practice in another jurisdiction)
- Verification of passing all sections of the ADEX/CDCA dental therapy clinical examination
- Written practice agreement pursuant to Board Rules Chapter 2, §§ V(E) with a supervising dentist
- Verification of licensure form, if applicable (see application information guide for explanation)

DENTAL THERAPY - WRITTEN PRACTICE AGREEMENT

Pursuant to 32 M.R.S. §18345(2)(C) and Board Rules, Chapter 2, Section V(E) a dental hygienist seeking to practice as a dental therapist must first submit an application for a dental therapy authority, demonstrate that the qualifications have been met, and submit a signed, written practice agreement with a supervising dentist.

A written practice agreement must include the following:

1. Name, date and signature of the supervising dentist and dental therapist;

2. Practice settings and locations where services may be provided;

3. Any limitations on the services that may be provided by the dental therapist, including the level of supervision required by the supervising dentist;
   - A. List the limitations on the services that may be provided by the dental therapist;
   - B. List the services that are within the scope of practice of the dental therapist and that are restricted or prohibited by the written practice agreement;

4. Age and procedure specific practice protocols, including case selection criteria, assessment guidelines and imaging frequency;
   - A. Provide a description of age specific protocols;
   - B. Provide a description of procedure specific protocols;
   - C. Provide a description of case selection criteria;
   - D. Provide a description of assessment guidelines;
   - E. Provide a description of imaging frequency guidelines;

5. A procedure for obtaining informed consent and creating and maintaining dental records in accordance with Board Rule Chapter 12 for the patients who are treated by the dental therapist;

6. A plan for review of patient records by the supervising dentist and dental therapist;
(7) A plan to manage dental and medical emergencies and reporting incidents in accordance with Board Rule Chapter 12 in each practice setting where the dental therapist provides care;

(8) A quality assurance plan for monitoring care provided by the dental therapist, including patient care review, referral follow-up and a quality assurance chart review;
   A. Provide a description of the patient care review;
   B. Provide a description of the plan for referral follow-up;
   C. Provide a description of the quality assurance chart review;

(9) Protocols for administering and dispensing medications authorized under, including the specific conditions and circumstances under which these medications are to be administered and dispensed;
   A. The dental therapist may provide, dispense and administer anti-inflammatory, nonprescription analgesics, antimicrobials, antibiotic and anticaries materials within the parameters of the written practice agreement, within the scope of practice of a dental therapist, and with the authorization of the supervising dentist;
   B. The written agreement must reflect the process in which the dentist authorizes the prescription, and the dental therapist provides, dispenses and administers these medications;
   C. A dental therapist is prohibited from providing, dispensing or administering controlled substances;

(10) Criteria for providing care to patients with specific medical conditions or complex medical histories, including requirements for consultation prior to initiating care;

(11) Criteria for the dental therapist to supervise dental hygienists (no more than 2) and unlicensed dental personnel (no more than 3) in any one practice setting to the extent permitted in a written practice agreement;

(12) Specific written protocols to govern situations in which the dental therapist encounters a patient who requires treatment that exceeds the authorized scope of practice;
   A. The supervising dentist must ensure that a dentist is available to the dental therapist for timely consultation during treatment if needed;
   B. The supervising dentist shall arrange for another dentist or specialist to provide any services needed by a patient of a dental therapist supervised by that dentist that are beyond the scope of practice of the dental therapist and that the supervising dentist is unable to provide;
   C. The supervising dentist is responsible for all authorized services and procedures performed by the dental therapist pursuant to the written practice agreement;
The services and procedures that the dental therapist may provide, including the level of supervision;

A. Protocol for the oral evaluation and assessment of dental disease, and for the formulation of an individualized treatment plan by the dental therapist and authorized by the supervising dentist;
   i. The dental therapist shall complete an oral evaluation and assessment of dental disease for the patient;
   ii. The dental therapist shall collaborate with the dentist in the formulation and authorization of the individualized treatment plan;
   iii. The authorization process may include indirect methods such as standing orders, written prescriptive orders, emergency palliative protocols, teledentistry, additional electronic methods for consultation, and other definitive, non-emergency protocols, all contained within the written practice agreement;
   iv. In addition, the authorization process may occur simultaneously with providing dental care by the dental therapist, and within the parameters of the written practice agreement in accordance with the scope of practice of a dental therapist;
   v. The dental therapist shall refer patients in accordance with the agreement to another qualified dental or health care professional to receive needed services that exceed the scope of the dental therapist;
   vi. The dental therapist shall keep a copy of the written practice agreement and make a copy available to patients of the dental therapist upon request;

B. Protocol for the supervising dentist;
   i. The collaborating dentist shall perform the comprehensive oral evaluation, determine the diagnosis(es), and formulate the individualized treatment plan upon referral of the patient by the dental therapist;
   ii. The dentist shall collaborate with the dental therapist for the provision of dental care as limited by the dental therapist scope of practice under and level of supervision, and if authorized in advance by the supervising dentist;
   iii. The supervising dentist shall keep a copy of the written practice agreement and make a copy available to patients of the dental therapist upon request.

A plan for the dental therapist to conduct urgent management of dental trauma, perform suturing, extract primary teeth and perform nonsurgical extractions of periodontally diseased permanent teeth to the extent permitted in a written practice agreement;

A plan for the dental therapist to perform simple cavity preparations, restorations and simple extractions to the extent permitted in a written practice agreement; and
A plan for the dental therapist to administer local anesthesia and nitrous oxide analgesia to the extent permitted in a written practice agreement.

A separate written practice agreement must be submitted for each collaboration with a supervising dentist. As a condition to renew the dental therapy practice authority, a dental hygienist must submit a current written practice agreement with the Board.

Written practice agreements must be signed and maintained by the supervising dentist and the dental therapist. Revisions to a written practice agreement must be documented in a new practice agreement and filed with the Board within 10 days of the change. Similarly, termination of a practice agreement must be documented and submitted to the Board within 10 days of the change.

The Board may request additional information or clarification for information provided in the written practice agreement.

Patient Record Reviews
(To be submitted by Applicant)

Dental therapy applicants must submit five, complete patient records that demonstrate compliance with Board Rules Chapter 12 §§ (G) and (H) and competencies of clinical dental therapy practice as outlined in each signed, written practice agreement. Each patient record must be deidentified for confidentiality purposes, and must contain the following:

1. Medical and dental history form(s); record of examination(s), diagnosis(es), treatment plan(s), documented informed consent(s), referrals and/or consultations, progress notes, anesthesia/sedation record(s) as applicable; and patient billing record(s); and
2. Dental radiographs, photographs, and/or images are to be submitted in a digital format on a disk or flash drive. All images must include patient information and date of image taken.

The patient records will be reviewed for compliance with record-keeping regulations as well as evidence of demonstrating critical thinking and decision making during the provision of dental therapy services. The patient records selected must contain representative examples of the treatment and/or services provided by you during your supervised clinical practice as a dental therapist.
