**2. Triennial Review of Maine’s Water Quality Standards (*Deliberative session*)**

**Staff: Meagan Sims, Bureau of Water Quality**

[Staff memo](#)

[Department recommendations](#)

[October 16, 2025 public hearing transcript](#)

[Index and comments received](#)

**Note:** The purpose of this deliberative session is to provide a forum for Board members to discuss with Department staff the proposed upgrades and changes to Maine’s water quality classifications and standards and to seek clarification, as necessary, regarding the public hearing testimony and public comments submitted on this matter.

The public input phase of the 2025 Triennial Review process ended on October 22, 2025. While the deliberative session is open to the public for observation, the Board generally does not receive additional public comment on pending matters during a deliberative session.
