## Caribou Utilities District General Manager

The Board of Trustees of the Caribou Utilities District (CUD) is seeking applicants for the position of General Manager. The CUD provides water and wastewater service to the City of Caribou, Maine with a staff of nine and annual budget of \$2.28 million. The General Manager works under the direction of a five-person Board of Trustees and will be responsible for the overall leadership and management as well as the daily operational activities of the CUD including customer and employee relations, budgeting, long range planning and system operations. Candidates should have a broad range of management, computer and technical skills and a college degree or equivalent experience, preferably in a utility environment. The candidate must be knowledgeable of State of Maine and Federal water and wastewater regulations, laws, and permits; and hold or be able to obtain State of Maine appropriate water and wastewater licenses within one year of employment. An engineering degree and professional registration is preferred but not required. Salary is negotiable and commensurate with experience. Send resume, letter of interest and three references to: Caribou Utilities District, PO Box 10, Caribou, Maine 04736, Attn. Board of Trustees. Submission will be received and evaluated until the position is filled. The Caribou Utilities District is an Equal Opportunity Employer.

## CITY OF BANGOR

Please be advised that the Planning Board of the City of Bangor will hold a public hearing on Tuesday, July 2nd, 2024, beginning at 7:00 p.m. in the Lower Floor of Penquis CAP (262 Harlow Street) and will consider the following application:

**To amend the Land Development Code by changing the parcel of land, Map-Lot R35-054-B, located on Fourteenth Street, from Urban Residence 1 District (URD-1) to Multifamily & Service District (M&SD). Said area of land contains approximately 2.59 acres total and is more particularly indicated on the map attached hereto and made part hereof. Applicant/Owner: City of Bangor.**

To submit comments, please call 207.992.4257 or email [planning@bangormaine.gov](mailto:planning@bangormaine.gov). Please submit any comments by 4 pm on July 1st. Interested parties can also make an appointment by email or phone to meet with Planning Division staff. Bangor City Hall is open to attend the meeting in person. Interested parties may also attend the meeting on Zoom. Zoom details are published on the city's website ([www.bangormaine.gov](http://www.bangormaine.gov)) on the home page under Public Meetings and Events. The meeting may also be streamed live via the City of Bangor's YouTube page; however, comments are not enabled on this page. Please call our office if you have questions about the process or participation in the hearing process.

### NOTICE OF INTENT TO FILE MAINE WATER QUALITY CERTIFICATION APPLICATION

Please take notice that KEI (USA) Power Management Inc. (KEI(USA)) of 423 Brunswick Avenue, Gardiner, Maine 04345; phone number 207-203-3025, is intending to file an application with the Maine Department of Environmental Protection for a Water Quality Certification pursuant to the provisions of the Federal Clean Water Act, Section 401. The application is for the Federal Energy Regulatory Commission (FERC) relicensing for the continued operation of the Lowell Tannery Hydroelectric Project (FERC No. 4202) located on the Passadumkeag in the town of Lowell, Maine under the terms of an initial or new license from the FERC.

The application will be filed on or about July 26, 2024, for public inspection at the DEP's offices in Augusta during normal working hours. A copy of the application may also be seen at the municipal office in Lowell, Maine.

A request for a public hearing or a request that the Board of Environmental Protection assume jurisdiction over this application must be received by the Department, in writing, no later than 20 days after the application is found by the Department to be complete and is accepted for processing. Public comment on the application will be accepted throughout the processing of the application. For Federally licensed, permitted, or funded activities in the Coastal Zone, review of this application shall also constitute the State's consistency review in accordance with the Maine Coastal Program pursuant to Section 307 of the federal Coastal Zone Management Act.

Written public comments may be sent to the Department of Environmental Protection, Bureau of Land and Water Quality, 17 State House Station, Augusta, Maine 04333.

Re: Notice of Water Quality Certification Application to Owners of Property Adjoining the Lowell Tannery Hydroelectric Project (FERC No. 4202)

Dear Recipient:

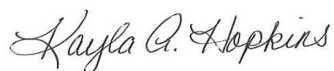

KEI (USA) Power Management Inc. (KEI (USA)) holds a license issued by the Federal Energy Regulatory Commission (FERC) for the Lowell Tannery Hydroelectric Project (FERC No. 4202), located on the Passadumkeag River in the town of Lowell, Maine. KEI (USA) is in the process of obtaining a new license from FERC.

In order for FERC to issue a new license, KEI (USA) must also apply for and obtain a Water Quality Certification (WQC) from the State of Maine Department of Environmental Protection (MDEP) under the provisions of Section 401 of the Clean Water Act. The MDEP WQC application process requires that KEI (USA) provide notice of the WQC application to those landowners whose property abuts the Lowell Hydroelectric Project, which is why you are receiving this letter. Notice of the WQC application is attached.

If you have any questions regarding this notice, please contact Lewis Loon at 207-203-3025 or at [LewisC.Loan@kruger.com](mailto:LewisC.Loan@kruger.com).

Sincerely,

**KLEINSCHMIDT ASSOCIATES**

**VIA CERTIFIED MAIL**

Re: Notice of Water Quality Certification Application for Lowell Tannery Hydroelectric Project (FERC No. 4202)

Dear Municipality:

KEI (USA) Power Management Inc. (KEI (USA)) holds a license issued by the Federal Energy Regulatory Commission (FERC) for the Lowell Tannery Hydroelectric Project (FERC No. 4202), located on the Passadumkeag River in the town of Lowell, Maine. KEI (USA) is in the process of obtaining a new license from FERC.

In order for FERC to issue a new license, KEI (USA) must also apply for and obtain a Water Quality Certification (WQC) from the State of Maine Department of Environmental Protection (MDEP) under the provisions of Section 401 of the Clean Water Act. The MDEP WQC application process requires that KEI (USA) provide a copy of the WQC application to the municipalities in which the Project is located, to provide the public an opportunity to review the application if they so do choose. The WQC application will be mailed to the Town of Lowell separate of this notification. We respectfully ask that you house this application of the WQC for public viewing, once it arrives.

If you have any questions regarding this notice, please contact Lewis Loon at 207-203-3025 or at [LewisC.Loan@kruger.com](mailto:LewisC.Loan@kruger.com).

Sincerely,

**KLEINSCHMIDT ASSOCIATES**

Kayla A. Hopkins  
Regulatory Coordinator

Attachment: WQC application NOI

**ATTACHMENT**

**NOTICE OF WQC APPLICATION**

NOTICE OF INTENT TO FILE  
MAINE WATER QUALITY CERTIFICATION APPLICATION

Please take notice that KEI (USA) Power Management Inc. (KEI(USA)) of 423 Brunswick Avenue, Gardiner, Maine 04345: phone number 207-203-3025, is intending to file an application with the Maine Department of Environmental Protection for a Water Quality Certification pursuant to the provisions of the Federal Clean Water Act, Section 401. The application is for the Federal Energy Regulatory Commission (FERC) relicensing for the continued operation of the Lowell Tannery Hydroelectric Project (FERC No. 4202) located on the Passadumkeag in the town of Lowell, Maine under the terms of an initial or new license from the FERC.

The application will be filed on or about July 26, 2024, for public inspection at the DEP's offices in Augusta during normal working hours. A copy of the application may also be seen at the municipal office in Lowell, Maine.

A request for a public hearing or a request that the Board of Environmental Protection assume jurisdiction over this application must be received by the Department, in writing, no later than 20 days after the application is found by the Department to be complete and is accepted for processing. Public comment on the application will be accepted throughout the processing of the application. For Federally licensed, permitted, or funded activities in the Coastal Zone, review of this application shall also constitute the State's consistency review in accordance with the Maine Coastal Program pursuant to Section 307 of the federal Coastal Zone Management Act.

Written public comments may be sent to the Department of Environmental Protection, Bureau of Land and Water Quality, 17 State House Station, Augusta, Maine 04333.
