RE: DEP APPLICATION #L-26654-33-C-N, AUBURN

Dear Mr. Loon:

Your application for a Water Quality Certification was received by the Department of Environmental Protection and found to be acceptable for processing on January 2, 2018. Acceptance of the application does not preclude the Department from requesting additional information during processing. Your application has been given the above reference number.

The project will now be examined to determine whether a certification can be issued. The statutory deadline for the Department to reach a final decision on your application is December 20, 2018; however, we will do our best to process the application and issue a decision as soon as possible.

Please feel free to contact me at (207) 446-1619 or via email at [eric.sroka@maine.gov](mailto:eric.sroka@maine.gov) if you have any questions regarding this project.

Sincerely,

Eric Sroka, Project Manager  
Bureau of Land Resources
