Karen Knuuti,

My name is Douglas Shorey I live at 2454 Bennoch Rd, Old Town, ME 04468. Juniper Ridge is in my backyard. Based on Google Maps, I calculated the distance between my property and Junipers Ridges property is 3,333 feet. I can see the mountain of trash from my property. If I walk to the abandoned mill next door it's in full display. This includes a couple of times it has caught on fire. **I oppose any expansion to the landfill.** I have my water tested every two years as it is required to maintain our Foster Care license. So far, It has tested ok. But when will that not be the case. The smell at times is overwhelming. I have called and complained in the past. Casela did send someone to take air samples. The woman who came to do the test that evening was shocked at how bad the smell was. This should affect my taxes but it doesn't. What it will affect is when I try to sell and go into retirement. I was raised on this property and 25 years ago I purchased it from my parents. so out of my 63 years I have lived here for 40+ of them. **There is NO BENEFIT to anyone in Old Town and especially those on Bennoch rd and the West Old Town Rd.**

Thanks you for you time
Douglas Shorey
