Hello,

As a resident of Old Town I'm writing to express my opposition to the Juniper Ridge Landfill expansion. I do not believe they have been responsible with the space that they were previously given. I feel that they exploited loopholes to bring in out of state trash which caused the landfill to fill up prematurely. Additionally I am not satisfied with how they are handling leachate and do not think they would handle additional waste and run-off any better.

Thank you for your time,
