Dear Karen

I continue to be disappointed in our state's management of our natural environment. The expansion of the Juniper Ridge Landfill fails to meet the DEP requirement for "public benefit" and it does not meet the state's Solid Waste Management Hierarchy. Are we seriously considering this expansion when it doesn't meet our own criteria? Not to mention the impact of the pollution on the Penobscot Nation and others. Please do not approve this expansion..

Sincerely,

Kathy Muzzy
