Subject: oppose the proposed mining rules from Carole G. Jean, Portland, Maine
Date: Friday, September 09, 2016 3:39:12 PM

Hi Board of Environmental Protection (BEP)

I am not able to make it to Augusta on September 15, 9:00 am because I work full time during the week.

But wanted to let you know that **the rules are still not strong enough and, if approved, would put Maine's water and aquatic resources at risk.**

Besides your name is Environmental Protection - please be an advocate

Thank you,

Carole G. Jean
