**Subject:** Mining regulation  
**Date:** Wednesday, September 21, 2016 10:43:10 PM

---

These rules to enable open pit mining keep turning up like a bad penny. Please put an end to this and don't allow it! We are being asked to put WAY too much at risk for private profit. Protect the water, and respect the position of the Houlton Band of the Maliseet!

Earnestly,  
Katherine Rhoda
