21 February 2020

Mr. Spinney,

Regarding the existing gravel boat ramp on your property and its proximity to the abutting owner's property line, I find that this ramp was built prior to any ordinance and therefore exists as a non-conforming use and the setback of 20 feet does not apply here.

If you have any questions, you can contact me at the Alna Town office.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom McKenzie". The signature is stylized with large, sweeping letters.

Tom McKenzie

CEO Alna
