Hi,

I was born and have lived here in Maine all my adult life and have now reached the age of 67.

Under NO circumstances do I want any out-of-state waste to be handled, processed and dumped here in the State of Maine! Please close all State of Maine owned waste landfill loopholes and vigilantly watch forever that no one, no institution, no company, etc. find a clever way to work around this and circumvent the health and the will of the people of the State of Maine!

Thank you.

Sincerely,

Dale Ashby
