**Subject:** Comment on Chapter 400: Maine Solid Waste Rules

**EXTERNAL: This email originated from outside of the State of Maine Mail System. Do not click links or open attachments unless you recognize the sender and know the content is safe.**

Here are my comments:

(1)Waste dumped in Maine must have been originally discarded IN Maine; (2) it must not harm the health and welfare of communities where it is being dumped or processed, and (3) DEP must protect *all* people in Maine, no matter what their race, class, disability, income, national origin or religion from the toxics and other pollutants by emanate from the state landfill.
