Environmental Protection,

Dear Chair Draper and the Board of Environmental Protection,

I am writing to you in support of the proposed rule amendments to Chapter 400: Solid Waste Management Rules.

There's no excuse for letting toxic waste from "Away" be piled in Wabanaki Territory or anywhere in Maine. Toxic waste should not be outsourced or hidden, but dealt with by those who make it. (Ideally by ceasing to make it.) We are not a sacrifice zone for other places.

Sincerely,

Rivera Sun, Fifth Generation Mainer & Maine small business owner
