Dear Victoria,

My name is Deb Soule and I am writing in opposition to the DEP's recent Approval with Conditions for Waste Management license application [#S-010735-WD-YB-N](#), and Waste Management Inc's application to expand Crossroads Landfill in Norridgewock. I grew up near the Androscoggin River in South Paris, Maine, and observed the challenges this river faced 50 years ago.

It is deeply concerning to hear that the DEP has drafted an approval for WMI's expansion, which would threaten the drinking supply, air quality, and general health of so many living in the Kennebec region, as well as aquatic life downstream from Norridgewock. I urge you to oppose the DEP's recent approval to expand the Crossroads Landfill in Norridgewock.

Sincerely,

Deb Soule

Rockport, ME
