Dear Deputy Director Victoria Eleftheriou,

My name is Kristina Kalolo, I am a resident of Portland, Maine writing in opposition to the expansion proposed in the DEP Draft Decision of Approval with Conditions of WMDSM license application #S-010735-WD-YB-N. It would put our most precious natural resource, water, at risk and may cause significant harm to communities in the area and endangered species.

I strongly urge you to **oppose the Norridgewock Landfill Expansion Proposal to ensure the safety and well-being of our water, land, endangered species and people. Thank you for your time and consideration.**

Respectfully,
Kristina Kalolo
