Re: Central Maine Power Company's New England Clean Energy Connect Project

Dear Mr. Hinkel,

In follow-up to the questions raised at the second pre-hearing conference regarding the two members of Intervenor Group 10, Alison Quick and Courtney Fraley, who we did not list in my January 11 letter providing notice of my appearance, I contacted them each directly. They each declined representation.

Please let me know how you would like us to make reference to our representation of Group 10 excepting out those individuals – other than with an exception noted each time.

Please do not hesitate to contact me should you have any questions or concerns.

Sincerely,

Elizabeth Boepple, Esq.
