Question or Comment

Commissioner Loyzim,
Please honor the will of the people of Maine and pull CMP's permit immediately. The needless destruction of our forest must stop. You work for Mainers - not CMP, Avangrid or Iberdrola. I urge you to take the right and moral action to put a stop to this project, which does nothing more than line pockets of massive foreign companies. Honor the vote, pull the permit, protect our environment.
Respectfully,
Kate Edge
