Subject: Stop the Corridor's Construction

Dear DEP,

The Maine people have made their voices heard loud and clear. We are tired of multinational corporations running roughshod over our state. CMP has proven itself NOT to be a worthy, upstanding company to serve Maine peoples. How can we trust them to carry out such a large project with so many responsibilities. It's time to stop all construction on the "clean" corridor. QuebecHydro isn't all that green to begin with, certainly not enough to destroy a 53 mile swath through the Maine woods.
