Hello and thank you for your time.

I am writing to support revocation of the permit given to CMP/Avangrid.

They have become more and more transparent in their lack of care for the people and the public lands of Maine. The uptick in speed, & wanton increase in devastation of this crucial area, since they lost the statewide vote, has been a slap in the face to all of us.

Their behavior is a slap in the face to the integrity of our regulatory system.

Please recognize that Maine people have said No, by permanently revoking permitting of the CMP corridor.

Sincerely,
Heather Whittier
