Re: New England Clean Energy Connect-License Suspension Proceeding

Dear Ms. Richardson:

On behalf of Intervenors, West Forks, et al. please find attached herewith the rebuttal testimony of West Forks' rebuttal witnesses, Justin Preisendorfer, Elizabeth Caruso and Ed Buzzell.

As the Department is aware, the deadline for CMP/NECEC to deliver maps depicting the two alternative routes and which portions of the project have been constructed, is Wednesday, October 13, 2021. Since that deadline is after this rebuttal testimony is due, West Forks respectfully reserves the right to submit additional rebuttal testimony either in writing, or at least orally in the October 19, 2021 hearing.

Sincerely,

MURRAY, PLUMB & MURRAY

Elizabeth A. Boepple, Esq.
