Successors Its HELVE and Assigns forever,

A certain lot or parcel of land in Lewiston, Androscoggin County, Maine, bounded and described as follows:

A strip of land three hundred forty (340) feet in width, extending from land now or formerly of Frank W. Osgood; southerly and southwesterly to land now or formerly of John Penard, and land of Alex Richards bounded northerly by the Osgood lot, easterly by a line parallel with end eighty-seven and one-half (87%) feet easterly of a survey line now staked out scross this lot, the Osgood lot and the Penard lot; southerly by the Penard lot and the Richards lot; westerly by a line parallel with and two hundred fifty-two and one-half (252%) feet westerly of the survey line above mentioned. Containing about fourteen and seven-tenths (14-7/10) acres.

By title to the above property is derived by deed from Alfred

Ny title to the alove property is derived by deed from Alfred Fortler, dated Jan. 19: 1918, and recorded in Androscoggin Registry of Deeds, Book 276, Page 527.

Reserving to the grantor herein the wood and lumber on said parcel, said wood and lumber to be removed by the grantor in season request of the grantee. Or, if not removed by the grantor in season to avoid interference with construction or maintenance work, the grantee may cut, or cut, remove and dispose of said wood and lumber at its option.

Reserving also to the grantor herein, an easement or right of way across the above described parcel of land for lumbering and agricultural purposes not to exceed twenty (20) feet in width and to be located by the grantee in some location convenient for the said grantor and which will not, however, interfere with the use of the said above described parcel in connection with the transmission of electric energy.

The survey line above referred to begins on the southerly line of the Frank W. Osgood lot at a stake about two hundred eighty (280) feet southerly, as said survey line runs, from the Sabattus Road; thence about south 130 45 east about fourteen hundred (1400) feet to a stake, said stake being one hundred thirty-seven and one-half (137%) feet westerly at right angles from the center of the transmission line of the Central Kaine Power Company built in 1929; thence about south 36% west to the Penard lot at the Golder Road.
