RE: DEP APPLICATION #L-27625-26-AS-M/ L-27625-2C-AT-M/ L-27625-IW-AU-M/ L-27625-TB-AV-M/ L-27625-VP-AW-M

Dear Mr. Mirabile:

Your application for a Site Location of Development Act and Natural Resources Protection Act minor revision application was received by the Department of Environmental Protection and found to be acceptable for processing on July 31, 2023. You are proposing to make changes to the Field Adjustment Request (FAR) process originally approved in Department Order # L-27625-26-Q-M/ L-27625-TB-R-M/ L-27625-2C-S-M/ L-27625-VP-T-M/ L-27625-IW-U-M on May 7, 2021. Acceptance of the application does not preclude the Department from requesting additional information during processing. Your application has been given the above reference number.

The project will now be examined to determine whether a license can be issued. There is no statutory deadline for the Department to reach a final decision on your application; however, we will do our best to process the application and issue a decision as soon as possible.

Please feel free to contact me at (207) 446-9029 or via email at jim.r.beyer@maine.gov if you have any questions regarding this project.

Sincerely,

James R. Beyer, Director
Eastern Maine Regional Office
Department of Environmental Protection
