I do not support this corridor at all! We spend time every summer at Moxie Lake and we have so enjoyed the beauty and wildlife found there. We have rafted, camped and hiked in the Forks and have met families from all over the northeast that have traveled to enjoy these things as well. This will not only ruin the natural beauty of this area, but also harm the economy. This area and the wildlife there should be protected from this development. Sincerely, Mrs. Tammy Houdlette
