I am an avid snowmobiler, and I see that Bob Myers purports to represent snowmobilers in saying we favor the New England clean energy connect cord or for recreational. I have snowmobile to region for many years I talked to many snowmobilers this year. I've yet to find one person in favor of the corridor. When I try to engage MSA in this discussion they were unwilling to listen to me as a member. Unlike the sportsman's alliance of Maine, which pulled them members and then rescinded support because we were overwhelmingly opposed to the project. Please consider this comment as opposed to Bob Myers testimony.thank you,
