Question or Comment

As a resident of Maine I am very concerned about the proposed CMP Corridor through Maine. I have several serious concerns I wish to share with you.

1. I am concerned about the risk these power lines pose to the health and well-being of people who live and work in the area. Please read the following for details:

<https://nam03.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.safespaceprotection.com%2Femf-health-risks%2Femf-health-effects%2Fpower-lines%2F&data=02%7C01%7CJulie.M.Churchill%40maine.gov%7C32f15e5500054235391108d6b8a22b74%7C413fa8ab207d4b629bcdea1a8f2f864e%7C0%7C0%7C636899403984515929&sdata=UJ%2BdiiL4d2DTSJ2GFr9kAsx7LLadPs2yPVaUOzejr2w%3D&reserved=0>

2. I am concerned about the destruction of wildlife habitat during construction of this Corridor.

3. I am concerned about the loss of a large area of natural beauty that residents and visitors alike associate with our state. My family and I live in Maine because of the mountains, woods, streams, lakes, wildlife, and beaches. We had to fight to keep the North Woods wild, now this. In the fast paced world we live in now, these places are sacred.

Please listen to the majority of Mainers who are opposed to the CMP Corridor Project. Please stop this project before it's too late!

Thank you.
