

## BINGHAM UNION LIBRARY - Bingham, 297 Main Street

**Plan View** Bingham Union Library. The Project will be 0.55 miles south west of the structure.

**Street View** Standing in front of the Bingham Union Library looking southwest on Main Street. Any views would be obstructed by village homes between the library and the Project.

## GARFIELD SCHOOL - Concord Twp, Kennebec River Road/Rt. 16

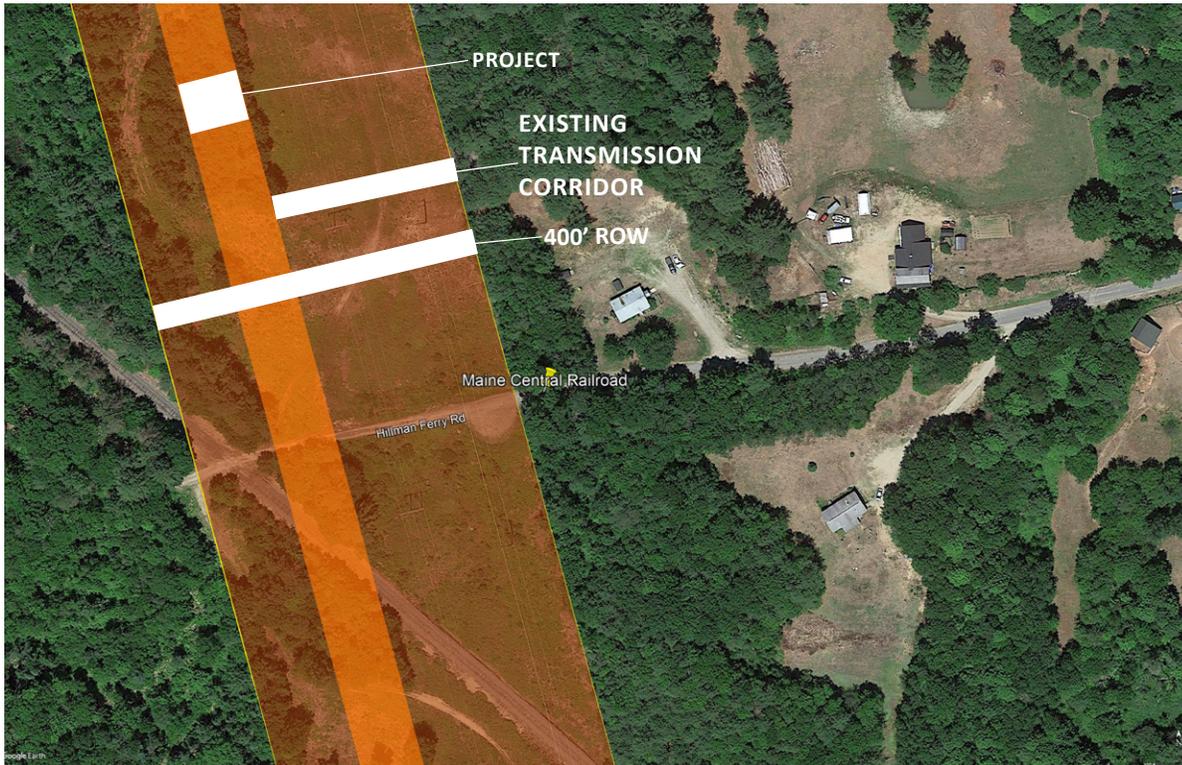

**Plan View** Garfield School. The Project will be 0.26 miles west of the structure.

**Street View** Standing in front of the Garfield School looking southeast on Rt. 16. Tips of structures may be visible above dense trees between the school building and the Project.

## MAINE CENTRAL RAILROAD - Livermore Falls, Hillman Ferry Road

**Plan View** Maine Central Railroad. The Project will cross the railroad.

**Street View** Looking west toward the Maine Central Railroad from Hillman Ferry Rd. Resource is an active rail line in a 400 ft transmission corridor with an existing 115 kV transmission line and gravel road.

## VALLEY CEMETERY/OLD VALLEY CEMETERY - Greene, Route 202

**Plan View** Valley Cemetery. The Project will be 0.32 miles west of the structure.

**Street View** Looking northwest towards the Valley Cemetery from Route 202. Tips of structures may be visible above dense trees between the Cemetery and the Project.
