NOTICE OF INTENT TO FILE

Please take notice that RoxWind LLC (mailing address: 13 Elm Street, Suite 200, Cohasset, MA, 02025, telephone: 781-383-3200) intends to file a Natural Resources Protection Act permit application and a Stormwater Law permit application with the Maine Department of Environmental Protection pursuant to the provisions of Title 38 MRSA 480-A et seq. and 38 MRSA 420-D, respectively, on or about May 10, 2018.

The applications are for new impervious area, and wetland and stream impacts, associated with a 4-turbine wind energy facility, with associated infrastructure, in the Town of Roxbury. The project is anticipated to have less than 3 acres of new impervious area, and less than 15,000 square feet of wetland and stream impact.

In order to be considered, a request for a public hearing on an application must be received by the Department, in writing, no later than 20 days after the application is accepted as complete for processing by the Department. A request for a public hearing must indicate the interest of the person filing the request, and must specify the reasons why a public hearing is warranted. In response to such a request, a public hearing may or may not be held, at the discretion of the Commissioner. Public comment on the application will be accepted throughout the processing of said application.

The applications will be filed for public inspection at the Department of Environmental Protections office in Augusta during normal working hours. Copies of the application may also be seen at the municipal offices in Roxbury, Maine.

Written public comments may be sent to the Department of Environmental Protection, Bureau of Land Resources, 17 State House Station, Augusta, Maine 04333-0017.
